U.S.-AFRICA PUBLIC PRIVATE PARTNERSHIPS FOR INFRASTRUCTURE **WORKSHOP**

OCTOBER 2-3, 2024
NAIROBI, KENYA

IN COLLABORATION WITH

Dr. Kenneth Namunje

*Managing Director and Co-Founder
Craftskills East Africa*

Dr Kenneth Namunje Dr Kenneth Namunje is a medical doctor by profession with a specialization in surgical medicine from the University of Nairobi and Cape Town South Africa. He has over six years' experience at the department of surgery, Aga Khan Hospital Nairobi.

Apart from his medical profession Dr Kenneth has had a keen interest in the development of energy projects. This can be attested by his current involvement and investment in projects focused on poverty alleviation. He sits in many management boards such as Nairobi Outpatient Centre (NOC). Through Craftskills Wind Energy International Ltd, where he is the chairman to the board, Dr Namunje has been an integral part of the team that has development of Kipeto Energy a 100MW wind farm which is the 2nd largest wind power projects in East Africa. It achieved financial close in December 2018 and its COD in July 2021.

The second and third phases are currently undergoing feasibility studies and once commissioned, will be able to produce a total of 100MW plus BESS. He is involved in development of other energy projects like Hydrogen, Geothermal, hydro and others.
