

## Civil Nuclear Energy Workshop: Partnering for Implementation

OCTOBER 8-9, 2024 | KNOXVILLE, TN

### **Stephen Greene**

*Senior Fellow*

*Nuclear Innovation Alliance*

Stephen Greene is a Senior Fellow at the Nuclear Innovation Alliance, and an energy and finance executive with extensive experience in commercial and policy issues related to energy.

In addition to his role at the Nuclear Innovation Alliance, Mr. Greene is consultant on energy and finance issues and a Nonresident Senior Fellow at the Atlantic Council Global Energy Center. Through 2019, he held senior finance roles including Chief Financial Officer and head of Corporate Development and Strategy for Centrus Energy, a public company engaged in the sale of nuclear fuel and the development of nuclear enrichment technology. He led strategy for Progress Energy, an investor-owned electric utility, and served as practice-area leader for the consultant Pace Global Energy focused on energy markets and risk management. He arranged project financing for PG&E National Energy Group (U.S. Generating Company), a leading independent-power developer and energy trader, and subsequently developed the company's power-market outlook to support project development. Early in his career he worked at USEPA on air-pollution rules.
