

## Civil Nuclear Energy Workshop: Partnering for Implementation

OCTOBER 8-9, 2024 | KNOXVILLE, TN

### **Mansurkhodja Yusupkhodjaev**

*First Deputy Head of the Department of Radiation and Nuclear Safety  
Committee for Industrial, Radiation and Nuclear Safety*

Head of Department at the Fund for Reconstruction and Development of the Republic of Uzbekistan since December 2023.

As Head of Department at the Fund for Reconstruction and Development, Mr. Yusupkhodjaev spearheads initiatives to drive sustainable growth, attract investment, and modernize the regulatory framework within the energy, mining, and oil and gas industries, with a strong focus on environmental sustainability.

With over a decade of experience in leadership roles within the government Uzbekistan, Mr. Yusupkhodjaev possesses a deep understanding of the sector's unique dynamics and policy landscape. His academic background, including a PhD in engineering and specialized training in economics and public-private partnerships at top business schools, offers a robust technical foundation that complements his leadership skills.
