

## Civil Nuclear Energy Workshop: Partnering for Implementation

OCTOBER 8-9, 2024 | KNOXVILLE, TN

### **Rafał Kasprów**

*Chief Executive Officer  
Orlen Synthos Green Energy*

Rafał Kasprów is the CEO of ORLEN Synthos Green Energy, a company dedicated to the deployment of a fleet of BWRX-300 reactors in Poland and Central and Eastern Europe. He is also a member of the BWRX Europe board (a joint venture between Synthos Green Energy and GE Hitachi Nuclear) and BWRX Ltd in the UK. Previously, Rafał served as the CEO of Synthos Green Energy, a company responsible for the decarbonization of the largest privately-owned industrial group in Poland, controlled by Michał Sołowow.

With nearly two decades he was a Managing Partner at a strategic consulting firm, advising numerous companies in the energy, oil, telecommunications, and commodities sectors. His notable clients included PKN ORLEN, Synthos, Mercuria Energy Trading, Orange, Polkomtel, GE Capital, GE International, GE Hitachi Nuclear Energy, KGHM Polish Copper, and others. Additionally, Rafał has worked as a gas and oil consultant for the Ministry of the Treasury, the World Bank, and the largest crude oil supplier to Poland. From 2000 to 2002, Rafał was a member of the Supervisory Board of the Polish National Gas and Oil.

In 2002, he was hired by the Embassy of Japan to help organize business relations for Emperor Akihito before the visit of Their Majesties the Emperor and Empress to Poland. In the 1990s, Rafał worked in media, covering economics and politics (1994 to 2000). He graduated with a degree in Political Science from the University of Warsaw in 1998 and from the Warsaw School of Economics in 2002. Rafał also earned an MBA from the University of Quebec, Montreal, in 2004 and completed PhD studies in Artificial Intelligence at the Polish Academy of Sciences (without obtaining a title).

He has been a recipient of scholarships from the Reuters Foundation, the U.S. Department of State (twice), the German Marshall Fund of the United States, the Howard Gilman Foundation, and US Freedom House.
