OCTOBER 2-3, 2024
NAIROBI, KENYA

IN COLLABORATION WITH

Lucy Chege

Associate Executive, Project & Infrastructure Finance

Department

Trade and Development Bank (TDB)

Lucy is currently Associate Executive: Project & Infrastructure Finance at the Eastern and Southern African Trade and Development Bank (TDB). She has 20 years of extensive experience in project and infrastructure finance. Lucy was previously Head - Energy, Environment and Information Communications Technologies (ICT) at the Development Bank of Southern Africa (DBSA). She was also a Divisional Executive at DBSA and an Advisory Committee member of various private equity funds. Lucy has originated, structured and executed the financing of landmark Public Private Partnerships (PPPs) transactions in various sectors including energy, transport, water and health sectors.

She played a key role in setting up South Africa's Renewable Energy Independent Power Producers Programme (REIPPP) and financing the projects in the programme. Lucy developed the operational strategy and led several teams in financing over 30 renewable energy projects. The teams won 10 local and international awards for the transactions.

Lucy has an MBA in Finance from Manchester Business School. She has also completed the Advanced Management Programme at Harvard Business School.
