

## MOBILE EVENT APP INSTRUCTIONS

The Mobile Event app includes all the details you will need to enjoy the conference onsite. Review the complete **agenda** details including speakers, the event webpage and instruction on how to check-in. We will also use this app to complete the **check-in daily** for each day you attend.

*You will need the following code to log into the Application: **sane-64***

Please use the links below for your mobile device or simply visit the Apple Store or Google Play Store, and search for "EventsAir" to find your version of the App. Select "The Event App by EventsAIR" and download. Once downloaded, open and enter the event code to access all the SANE training course information.

**To utilize all of the features**, you will need to log into your account by using the "Forgot My Password" function under the "Log In" section to set up your login into the app. Your Email address that was used to register you is your username.
