

British Society for Heart Failure (BSH) 28th Annual Meeting 20-21 November 2025

POSTER SUBMISSION

Terms and Conditions

This is an opportunity to submit your heart failure research or examples of good clinical practice to be displayed as a poster presentation at the BSH Annual Meeting.

The abstract submission deadline is **23:59 on Sunday 7 September 2025** and should be submitted prior to this time.

Criteria

The abstracts must be heart failure related to:

- Basic or translational science
- Clinical research
- Service delivery from diagnosis to management
- Population health

Please complete the online form and submit your abstracts of between 350-500 words by **23:59 on Sunday 7 September 2025**

All accepted poster applicants will be invited to display the posters online in PDF format and in-person at the meeting on A0 portrait format. If the poster is accepted, the author will need to purchase a an in-person ticket to the meeting in order to display the poster. Your poster should display the following:

- Aims
- Methods
- Results
- Conclusion

The top 5 will be invited as moderated posters to present orally during the conference and be recognised in the British Journal of Cardiology publication. The winner will be announced on day 2 during session 8 and will receive free entry to the BSH Annual Meeting 2025 and all 5 participants will receive certificates.
