

SAFARI STYLED INTERIORS

Beautifully high-quality seats in canvas and leather

EXTRA WIDE WINDOWS

Allow stunning panoramic views over the savannah and nearby landscapes

EXTRA LEG ROOM

The generously spaced 10-seats configuration delivers a very comfortable flight experience and also allows easy movement through the aisle.

PLENTY OF MUSCLE

The ultra-efficient 867-shp Pratt & Whitney Canada PT6A-140 engine provides exceptional cruise speed, payload and range.

EXTRA LUGGAGE ALLOWANCE

The reduced seating capacity and the top-notch lifting power of our engines allow a certain tolerance over the standards.

RUGGED LANDING GEAR

Large, rough-field tires and rugged landing gear allow you to operate from grass, gravel and even more rudimentary runways.

MULTI-CREW COCKPIT

Grumeti Air operates with two experienced crew on every flight, be it a scheduled or private charter..

CESSNA CARAVAN 208EX

The most common and versatile bush aircraft. The backbone of our scheduled and charter network across Northern Tanzania and neighbouring countries.
