

Karen Blixen Coffee Garden & Cottages - Nairobi

FACT SHEET

Located in the former coffee farm belonging to the famous Out of Africa Blixen family. It sits on 5 acres of land with large hundred-year-old trees, beautiful gardens and pool, and hundreds of different varieties of blooming flowers and a large population of birds. It is a short walk from the Karen Blixen Museum and an easy access to the popular David Sheldrick Elephant and Rhino Orphanage, Giraffe Centre and Nairobi National Park where you can spot big game while on game drives, the city skyline in the background. Located in a quiet neighborhood of Nairobi, it is also close to Wilson Airport, which is used for all safari flights in Kenya. With the new Southern Bypass from Jomo Kenyatta International Airport, the transfer time to/from Karen Blixen Coffee Garden & Cottages is an easy 30 minutes.

Set on a large estate with giant trees and one of the oldest landscaped gardens in Kenya, the Karen Blixen Coffee Garden & Cottages offers 13 en-suite rooms which includes a large Honeymoon Suite. There are also three cottages with two en-suite bedrooms each that are ideal for families and groups of friends traveling together.

GUEST AREAS

The Swedo House hosts the reception and a cosy briefing lounge as well as the relaxing terrace. The property boasts of charming, spacious gardens with two restaurants and two bars.

It features a small exclusive poolside bar & restaurant (outdoor and indoor seating available) surrounded by trees and lush gardens. It is ideal for light meals and also a perfect place to join friends for our famous Kenya "Sundowners". Guests may request early breakfasts, take away meals or late check-in dinners. Room service is also available.

There's also the Garden Restaurant where you can choose from the cosy, indoor sitting with adjacent terrace or garden for a la carte fine dining or set menus. Enjoy a beer or a Cocktail as you catch your favorite sporting events at the bar which opens out to a lounge.

SWIMMING POOL

There is nothing more refreshing than a dip in a heated pool. Surrounded by deck chairs, it is a perfect spot to take a few strokes then relax with a G&T.

POWER VOLTAGE AND FREQUENCY

Power supply is available 24/7. There is a back-up generator in case of power failure.

All power sockets in Kenya provide a standard voltage of 240V with a standard frequency of 50Hz. The associated plug type is G, which is the plug that has three rectangular pins in a triangular pattern.

CONFERENCE

We have a conference room that can seat a maximum of thirty people classroom style with all the necessary amenities such as Wi-Fi and 85 inch TV screen. Refreshments are served at the adjoining terrace with a view of the landscaped gardens.
