Kruger Untamed Tshokwane River Camp, a unique seasonal haven. Nestled near the iconic Tshokwane picnic spot in central Kruger National Park, this wilderness retreat offers an unmatched safari experience. Positioned by the Ripape River, it showcases diverse birdlife and habitual animals.

The camp features 30 spacious, luxurious tented suites, each measuring 24m². These accommodations are equipped with front and rear doors, side windows, and a covered patio, along with en-suite facilities.

Kruger Untamed is the first-ever seasonal luxury tented camp concession in Kruger National Park, exclusively available for stays from 01 May to 30 September, coinciding with the South African winter months.
