THE AFRICA EXPERIENCE BOTSWANA

Activity Description	Price (payable on site)	Bookable on site (subject to availability)	Pre-book in advance required
Star Beds StarBeds is our elevated game viewing platform overlooking a waterhole, and the vast Tuli horizons and approaching sunrise beyond. A night sleep-out here offers an exclusive peek into the secretive nocturnal habits of elephant, hyena, civet, leopard, and antelope as they soak their thirsts below. Accommodating 5 people, the StarBeds experience consists of an open air (or covered) sleeping platform, safari bedding, a drinks station and toilet.	USD 100 per person, per night		X
A day of Research Join our professional research team plus a guide on an exploration into the lives of the Koro Leopard, brown hyena, spotted hyena, and other elusive species. Our camera traps in the area capture secret moments of the Koro wilds and you can be a part of this vital ongoing study. The Tuli area is well known for its leopards and brown hyena’s.	USD 50 per person, per night		X
Magical Sundowners Looking for some tranquility and a chance to repose? At Koro sharing the unique and fascinating landscape is one of our greatest pleasures and there is no better opportunity to do this, than at sunset! Under the comforting presence of one of Tuli’s famous Giant Baobab trees, we set up an absolute African sundowner choice with hearty snacks, fireside picnic, blankets, and comfy chairs. As the light softens over the koppies a calmness descends across the dramatic vista. If you listen closely, you can be sure to hear the secrets of this ancient landscape and allow your own thoughts to run free.	Included in the accommodation price	X	
Riverside Wellness Indulge in some well-deserved pampering, a massage on the banks of the Limpopo River. Using the fabulous Godding & Godding products that integrate the delicate balance of pure silk, these will enhance the body’s natural absorbance deep down to the lower epidermal layers and into the blood stream, so providing greater re-hydration to your skin. Enjoy a chilled beverage of your choice as you awaken from dreamy bliss.	Full Body, 1hr USD 100 Half Body, 30min USD50	X	
A visit to the rock art of Mothlabaneng (Half Day Excursion) Go back in time over 500 years with a half-day excursion to a recently discovered old Bushman settlement with paintings and sacred sites. An extended game drive through the Tuli takes us to the small village of Mothlhabaneng, and a stunning sandstone Amphitheatre on the Moutlotse River with numerous beautiful galleries of elephant, giraffe, sable, wild dog, and aardvark paintings. The quality of these paintings rivals any area in Africa. The Africa Experience supports the local community in developing the site as a heritage and tourism place of interest. On behalf of our Timbo Foundation, we donate to the project.	USD 75 per person	X	
Romantic Bush dinner and/or Engagement/ celebrations Have something to celebrate? Fancy another romantic setting under the stars in the bush? Request for a private bush diner on one of the riverbanks where the elephants pass by... The whole setting will fulfill your personal wishes. From drinks to a three-course menu. Prices upon requests in terms of pax, menu etc.	Quotation on request		X
Photography hide Spend some solitude time at our underground photography hide overlooking waterholes, waiting for game to drink. Maximize your photographic potential! Excellent elephant sighting and bird photography.	Included in the accommodation price	X	
Community projects (Half day excursion) Go visit to the local town of Mathathane and learn more about the human wildlife conflict and the backline fence we have built together with our Timbo foundation. Meet the Kgosi (Local Chief from the village). Learn more about the communities and the work we do.	USD 50 per person	X	
Children Safari For the small children who cannot go on a game drive. The little ranger will come out in every child while going on a safari. At our Koro River Camp we organize foot safaris around our camps to look for tracks, stones, explore soil and look for other hidden treasures in the wild. Our experienced guides will teach them about conservation and preservation for the next generations to come. Our research Centre is based at Koro Island Camp, where they can go into our lab and learn more about wildlife. We look after your little ones. It is a full day itinerary with the same times as game drives for the parents, with breaks in between.	USD 50 per person		X
Walking safari’s All walking safaris are included in our day program. Our guides will take you by foot through the Central Tuli Game Reserve where you will encounter African Wildlife. Additional guided foot safari’s over and above the normal scheduled ones can be booked instead of morning or early evening games drives. Minimum age for a walking safari is 15 years old. Our guides don’t carry rifles.	Additional foot safari, USD 100 per person	X	
Special Experience Safari’s Special Leopard, Working Safaris, Hyena, Pel’s, Elephant, multiple walking experience safaris and mountain bike experience safaris are available, please request our packages and separate brochure’s if you are interested.	Quotation on request		X
