BAD WEATHER POLICY

We'd love to think we can control all the elements of a Kayak Tour, but unfortunately wind, swell, and bad weather are not some of them. We have a policy in place to ensure that clients get the most out of a bad weather day tour with us.

We take the below approach, when it comes to kayaking on a bad weather day:

1. Paddle only within the shelter of the Hout Bay harbour.
2. Reschedule the tour to a later time-slot, taking our availability into account.
3. Reschedule the tour to an alternative date, taking our availability into account.
4. If none of the above are suitable solutions, then a full refund will be applicable, and shall reflect as a credit on your account.

Someone from our office will be in touch with the client via phone, text or email on the morning of the tour to confirm the day's plan and activity.

FAQ'S

Our office hours are: Monday – Friday, 08h00 – 17h00, Saturday 08h00 – 13h00 South African Time.

Our booking line will be operational from 08h00 - 18h00 on weekdays and 08h00 - 15h00 on weekends.

Our tours are booked on a first come, first serve basis, so to avoid disappointment please book in advance.

Please note that we WILL NOT alter scheduled departure times to cater for special needs. If you are in any doubt, contact us to book a private customized tour experience that best suits your unique requirements.

Our group tours have set start / end times, set points of interest visited, as well as set distances paddled. This information is all readily available on each individual tour page. If you have booked a group tour, please note that we WILL NOT alter the tour to cater for specific needs. If you are in any doubt, contact us to book a private or customized tour experience that best suits your unique requirements.

As much as we would like to, we have no control over the weather. Please be aware of this & refer to our "Bad Weather Policy" section for detailed info on how we handle bad weather.

We run 7 days a week, 365 days a year. We offer a wide selection of tours, catering for different levels of experience and ability. Please select the correct departure time based on corresponding ability. If you are in any doubt, please contact us, and we will put together a private or customised tour to best suit your paddling skills and ability.
