## SASP Congress 2022 Exhibitor / Sponsors Opportunity

Dear Valued Sponsor / Exhibitor

The South African Society of Physiotherapy™ (SASP®) is a non-profit organisation that has been representing South African physiotherapists and students since 1924.

The SASP has pleasure in inviting you to be a sponsor / exhibitor at the SASP Congress 2022: **“Physiotherapy in the 21st Century, a Metamorphosis”**, to be held at **Protea Marriot Hotel, 55 Techno Avenue, Techno Park, Stellenbosch, 7600, South Africa** from the **16 - 18 September 2022** (3 Days).

### Key Objectives

The key objectives of the congress are:

- Platform for local researchers to present their findings / results
- Stimulate debate, interaction and sharing of professional knowledge within the physio community
- Create an opportunity for local physiotherapists to gain knowledge from international expertise in the field of physiotherapy
- Create business opportunities, co-operation, and exchange.

### Format of the Congress

We are excited to announce that 2022 will be the **SASP’s first hybrid congress**, with **150 onsite** venue delegates allowed, and a limitless number of online delegates.

### Available Stands

The following stands are available for you to consider:
