

ESPC - European Space Power Conference

05 – 09 October 2026, Estoril, Portugal

Information for potential exhibitors and sponsors (ESPC 2026)

1. Introduction

ESA would like to invite potential exhibitors and sponsors to the 14th European Space Power Conference.

The ESPC will be held from 05-09 of October 2026 in Estoril, Portugal.

It's a unique international conference covering all aspects of electrical power for space applications, from power system architecture to generation and storage, power conversion and management.

The Conference Topics are:

Power Management

- Power subsystem architecture
- Power conditioning, distribution and conversion
- Components and IC technologies for power applications
- Digital control in power management
- High voltage power processing

Power Generation

- Solar cells, module and generator technology
- Solar generator electrical, mechanical and thermal design
- Solar cells and generators testing and calibration

Energy Storage

- Primary & secondary batteries
- Fuel cells & electrolyzers
- Supercapacitors & Li ion capacitors
- Other energy storage methods

Nuclear Power

- Nuclear and other power generation methods

The ESPC is an ESA organised conference bringing the major experts from industry, academia and other agencies together to discuss and share the latest developments and innovations in the space power domains. It was established in 1989 and has since then grown to 500 participants influencing and contributing to the international industrial and research & development space power community. Its success are the technical presentations, tutorials plus workshops and the set-up of the industrial exhibition area. This area allows companies to be seen and to advertise themselves. If you are interested to participate and to present your products and/or services in this technical forum, the Centro de Congressos do Estoril offers a non-exclusive choice of exhibition stands and sponsoring to do so. This facilitates the needs to network with other players in the market providing the opportunity to exchange and discuss with engineers and scientist from all over the world.

We are looking forward to receiving your valuable contribution and to welcoming you in Portugal next October!

ESPC2026 Organizing Committee

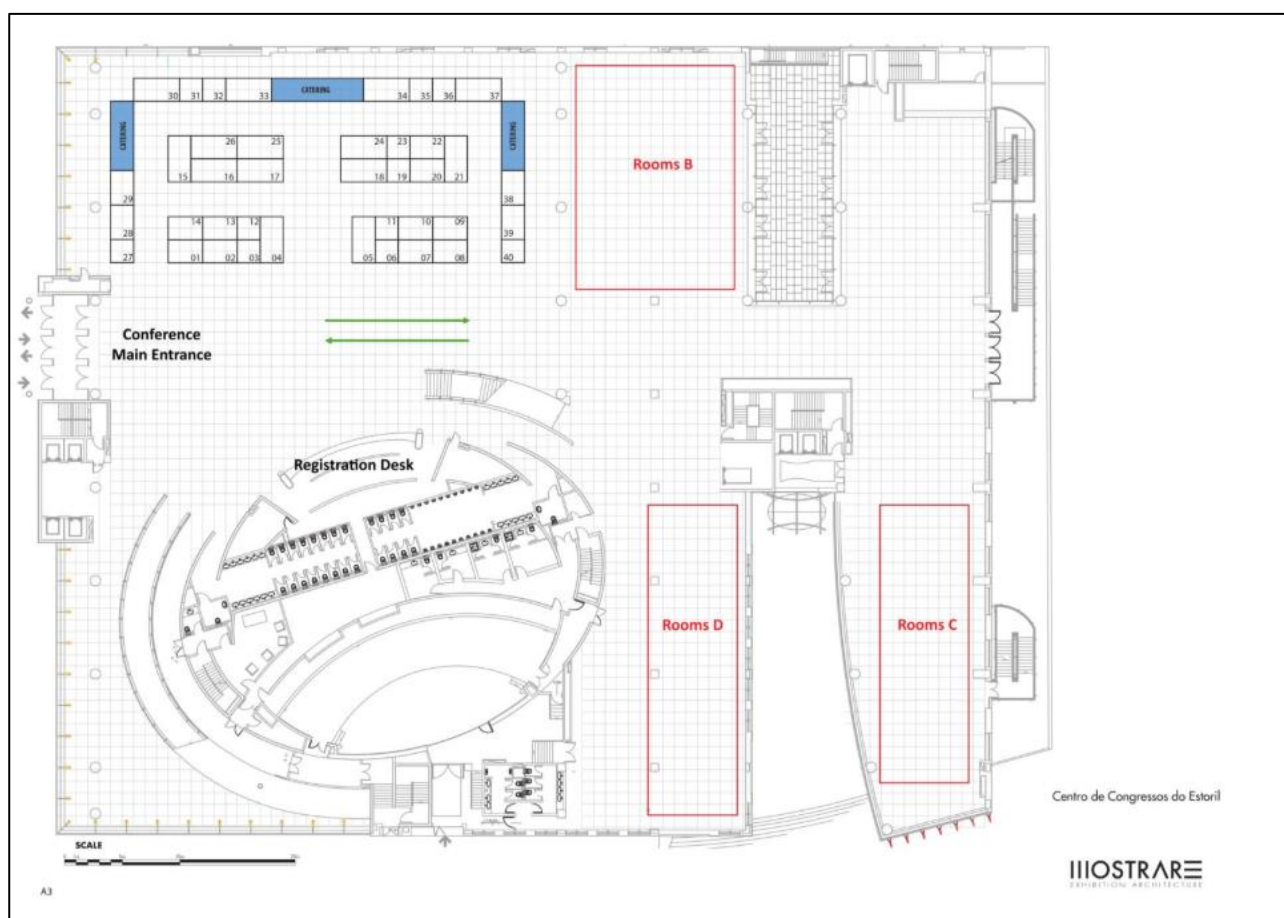

2. Exhibition

Companies are invited to display their products during the conference in the dedicated exhibition area by the entrance of the conference centre.

The exhibition area will host the coffee breaks and the Opening Cocktail on Monday for maximum visibility to the participants of the ESPC. We provide exhibition stands in 4, 6 or 8 square meters.

Preliminary Exhibition Floor Plan

Subject to change

Exhibition opening hours

The exhibition area will be open for all registered participants from Monday 05 October 10:30 until Thursday 08 October 18:00.

The exhibition remains open at any time during the conference, but the exhibitors are asked to be present at their stands to meet the conference participants as a minimum during coffee breaks, poster session and the Opening Cocktail on Monday.

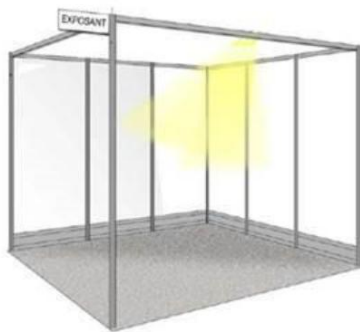

Monday*, 05 October	AM and PM
Tuesday*, 06 October	AM and PM
Wednesday*, 07 October	AM and PM

Thursday*, 08 October AM and PM

*the specific opening times will be announced by the ESA Conference Bureau in due time

Exhibition Stands and Price

- 4 m2 (2 m x 2 m) included 1 complimentary registration: € 2500
- 6 m2 (3 m x 2 m) included 1 complimentary registration: € 3300
- 8 m2 (4 m x 2 m) included 2 complimentary registrations: € 5000

The Stand Packages include:

- Carpet, Lighting, 1 table, 2 chairs
- registration to the full conference for 1 or 2 persons (see above)
- Coffee breaks, lunches and social events

Any additional registrations or tickets shall be purchased via the registration link on the ESPC website.

Exhibitors can register, book and manage their stands via the tool provided by the ESA Conference Bureau [ESPC 2026 - Exhibition Portal](#).

The exhibition stand registration deadline is 26 June 2026 or until it's fully booked.

During the conference we offer small meeting rooms free of charge to accommodate more private discussions. These can be booked at the registration desk during the conference opening hours.

Shipping instructions, Set up and dismantling

Exhibitors are responsible for their own shipping arrangements and costs.

Exhibitors are welcome to install their stands on Sunday 04 October from 13:00 until 17:00 and on Monday 05 October from 8:00 until 10:30.

The exhibitors can start dismantling on Friday 09 October.

The ESA conference Bureau manages all aspects of the exhibition. The instructions for exhibitors will be communicated by them in due time. They can be contacted via email: esaconferencebureau@atpi.com .

3. Sponsors (ESPC 2026)

The following packages are available:

name	price	Type of Sponsoring	Details of the sponsoring package
Platinum	€8,500.0	Gala Cocktail or Gala Dinner Sponsor	speech, advertising page and company logo
Gold	€7,000.0	Cocktail sponsor	speech, advertising page and company logo
Silver	€3,000.0	Coffee break sponsor	speech, advertising page and company logo
Bronze	€6,000.0	Advertising sponsor + 4 registrations	advertising page and company logo
	€2,000.0	Advertising sponsor	advertising page and company logo

Our sponsorship packages include the following:

- An advertising page in the official ESPC conference booklet
- The Company logo advertised on the ESPC website, in official ESPC emails and public announcements
- For the gold, silver and bronze sponsorship we offer the possibility to give speeches, display company banners, or other advertising means, during the event. The cost of these materials are not included and have to be provided to the ESPC organisers before in due time.
- To all sponsors we offer free access to meeting rooms for more private discussions (reservation via the registration desk on-site and upon availability).

The ESA Conference Bureau is responsible for all the sponsorship management and communication. The tool for the booking will be made available soon. For more questions or information they can be contacted via esaconferencebureau@atpi.com
