

# Welcome and inspiration

The European Earth Observation Ecosystem Workshop

12.02.2025

Simonetta Cheli, ESA Director Earth Observation

ESA UNCLASSIFIED – For ESA Official Use Only

# ESA Strategies looking towards 2040

**Protect our Planet and Climate**

**Explore and Discover**

**Strengthen European  
Autonomy & Resilience**

**Boost European Growth  
and Competitiveness**

**Inspire Europe**

**Frontier Science and  
Discovery: *a strong  
foundation***

**From Science to  
Benefits: *meeting  
society's needs***

**Reducing critical  
knowledge gaps: *taking  
immediate action***

**Filling critical  
observation gaps:  
*preparing for tomorrow  
starts today***

## Let's Engage in the Discussion! We need your perspectives!

1. The European EO Ecosystem in 2040+ - System-of-Systems view
2. User expectations and requirements for synergies within the European EO ecosystem
3. The role of FRM and reference measurements for performance certification and monitoring within the European EO Ecosystem
4. The role of a constellation within the European EO ecosystem

# Thank you
