

Ljubljana LGBT tour

Prepare to put on non-binary glasses, because you will see the sights of Ljubljana in rainbows. This alternative tour of Ljubljana, presented to you by long-time LGBT activists and artists [Suzana Tratnik](#) and [Brane Mozetič](#), is a journey through pre-socialist and socialist struggles for the rights of lesbians, gays, bisexuals, transsexuals and queers. It shows places where it all began, visits the current LGBTQ+-friendly clubs and cafés and introduces the stories behind the politics of the LGBTQ+ movement.

Take a walk on the wild side with the Ljubljana LGBT Tour!
