## Invitation to Join ENC 2026 in Vienna, Austria

We are pleased to confirm the next edition of the growing European Navigation Conference series, ENC 2026, in Vienna, Austria, April 28-30, 2026.

The ENC-series is now widely acknowledged as the most important European annual event bringing together the full positioning, navigation and timing (PNT) community.

- ENC is more than just the pre-eminent European navigation-domain technical conference. ENC has become the forum to gain insights, grow networks and foster new collaboration;
- Since 2023, when our new format was introduced, ENC-series has attracted a growing number of professionals and companies globally from across PNT and related disciplines;
- ENC-series is a collaboration across the European Group of Institutes of Navigation (EUGIN), ensuring the widest programme and participation globally;
- ENC-series is now consistently delivered each year by Congress by Design, with whom we have a multi-year collaboration for conference services.

ENC 2026 will showcase the latest innovations and developments across all areas of positioning, navigation and timing, spanning technology, science, systems, services and applications.

- Conference and exhibition across three days;
- Plenary keynote session each day, bringing the community together;
- Four parallel technical sessions;
- Catering and lunch breaks co-located with the exhibition space;
- A range of sponsorship opportunities to spotlight your offer and show your support to the ENC-series (thank you!).

We believe ENC 2026 can deliver value to you as a sponsor and exhibitor.

Please join us in Vienna for ENC 2026.

Thank you for your support to the ENC-series,

**Prof. Dr. Robert Weber**  
Chair, Austrian Institute of Navigation

**Professor Terry Moore OBE**  
Chair, EUGIN

# GENERAL INFORMATION

**Date:** 28-30 April 2026

## Global Target Audience

Delegates from across industry, academia, government and all other sectors involved in the technology, science and practice of Positioning, Navigation and Timing and associated systems, solutions and applications.

## Conference Venue: Austria Center Vienna

ENC 2026 will be held at the Austria Center Vienna, located just outside the historic city center and next to the United Nations headquarters. As a well-established venue for international scientific and technical conferences, the ACV offers a professional setting with easy access, nearby hotels, and excellent public transport connections, making it a practical and accessible location. The venue offers vehicle parking with direct lift access to the ENC 2026 areas for sponsors and exhibitors.

## PROGRAMME OUTLINE

The programme will consist of daily plenary and parallel sessions with regular well-timed breaks for coffee and lunch. The co-location of catering with the exhibition area is designed to encourage interactions between participants and sponsors/exhibitors. In addition, the social programme also offers the possibility of sponsorship, linked to networking time.

# SPONSORSHIP AND EXHIBITION OPPORTUNITIES

The Local Organising Committee of the ENC 2026 Conference extends a warm invitation to all interested companies and organisations to demonstrate their support for the navigation field, from GNSS and across PNT, by participating in one or more of the options outlined in this document.

## Why become a sponsor / exhibitor of ENC 2026?

### Industry partnership is at the heart of this event

Our sponsorship packages are carefully designed to align with the commercial goals of our industry and organisational partners. We offer a variety of opportunities for visibility, branding and meaningful networking, ensuring your company is positioned at the centre of the conversation.

### Involvement in ENC 2026 is all about building brand awareness

The exhibition hall is strategically located to maximise delegate interaction, with coffee breaks and lunches all hosted in the same space. This guarantees strong visibility and lasting brand recognition throughout the event. With a range of ENC Series supporter packages along with multiple options to choose from, we aim to have a solution for every budget. Sponsors will also benefit from enhanced brand exposure in web and printed collateral, before, during and after the event.

### Connect, engage, and strengthen relationships

Maximising networking opportunities for our delegates is an important priority. Networking is a cornerstone of ENC 2026, and we create both formal and informal settings for delegates to meet, exchange ideas and build long-term partnerships.

## Sponsor and exhibitor opportunities at-a-glance

Below is a list of some of the ways your organisation can benefit by becoming a Sponsor.

\* Media Partner

The media partner will provide the following exposure and services before and during the European Navigation Conference 2026.

1. Put an ENC 2026 advertisement (half page) in an edition of media partner's magazine. Advertisement to be provided by the Conference organisation.
2. Put the ENC 2026 logo on media partner's website with a link to ENC 2026 website.
3. Mention the ENC 2026 Conference in the events list/calendar of media partner's magazine/website.
4. Attending the conference and writing an article/report of ENC 2026.

## Exhibition

The ENC 2026 exhibition will be a hub of activity. As an exhibitor, you will enjoy prime exposure and direct marketing opportunities with the key players and decision makers in the field. The Conference provides you with a unique opportunity to highlight your services, research, technologies and products in allied fields and related disciplines, and provides the perfect forum for you to meet new people, distribute information, promote your products and develop your brand and recognition.

A well-designed exhibit helps you attract interest and develop new leads, while at the same time increasing the educational value of the meeting for attendees. The ENC-series has become the leading event in this space to showcase your business.

The floor plan has been designed to maximise the exhibitor exposure to all participants. Coffee and lunch breaks will be held in this area. The exhibition will be open during the entire Conference. Exhibition space is offered on a first-come, first served basis, and the Organisers reserve the right to amend the floor plan. In the unlikely event that this happens, exhibitors will be notified in the first instance.

The exhibition space consists of a modular construction with:

- Shell scheme (white system backwall)
- 1 Name board (front) incl. digital print for exhibitor name
- 1 x main power connection
- One table & two chairs
