Standard rates

Why exhibit?

The conference runs alongside the Exhibition, which is always a very well attended and bustling affair.

Over 50 manufacturers, suppliers and pharmaceutical industry decision makers will be exhibiting, making this a crucial event for your company to be a part of.

Having a presence at this event offers face-to-face interaction with ISPE members, gives a platform to showcase new products, generate sales and positively increase your visibility in the arena.

What's included?

The Exhibition Package includes a tabletop exhibition stand, attendance for two company representatives at the Exhibition and access for one of those representatives into the Annual Conference lectures.

Refreshments and lunch will be provided throughout the day.

This package also includes a 10% discount code which can be sent to customers only wishing to attend the Conference.

Please note this is a tabletop stand only with a space of 1.5m X 2m.

No PA systems or microphones will be allowed at any exhibition stand.

ISPE UK Annual Awards Dinner

Why attend?

The ISPE UK Awards Dinner is a fantastic networking opportunity and regarded as a principal event in the pharmaceutical engineering calendar.

Following the conference, please join us for an evening of dining, networking and a celebration of the highlights from the industry at the ISPE Annual Awards Dinner! The Annual Awards Dinner is regularly attended by over 400 of the UK's top decision makers and leaders in the pharmaceutical engineering arena, along with their clients.

The ISPE UK Affiliate Annual Awards are awarded in recognition of the support that individuals and companies provide to the work of the ISPE in the UK and internationally.

ISPE is a volunteer led organisation and the awards dinner is a chance for the UK affiliate to say 'thank you' to the volunteer members who enable us to put on our events and training sessions throughout the year. Nominations are made by the regional committee members and the UK affiliate board reviews these.

What's included?

- Drinks reception on arrival
- 3 course meal
- Tea & coffee
- Wine on the tables
- After dinner entertainment
