

EACPT2025 Congress - "Embracing Innovations for Optimized Patient Care"

Saturday, 28 June

16:00	Early career researchers premeeting - Career development (separate ticket required)		
19:00	Premeeting dinner		

Sunday, 29 June

9:00	Welcome and Opening Remarks		
9:20	Keynote Lecture 1: The role of the European Medicines Agency in advancing science and innovation in Europe (Steffen Thirstrup)		
10:00	Refreshment Break		
10:30	Awards session (EPHAR/EACPT)	Session B1: Preclinical data informing clinical pharmacology	Session C1: Therapeutic advances in the treatment of obesity
12:00	Lunch and networking Poster Session from 13:00 to 14:00		
14:00	Session A1: Multiprofessional approach to pharmacotherapy	Session B2: Artificial intelligence in drug development	Session C2: Immunopharmacology
15:30	Refreshment Break		
16:00	Session A2: Education symposium 'Education pearls in CPT'	SSCPT Session B3: Cardiac toxicity	EPHAR Session C3: RNA therapeutics
17:00		Industry Sponsored Talk by Celerion	
17:30		30-60 min BREAK	
18:00	Lifetime achievement award and lecture		
18:30	Opening Ceremony and Reception of the University of Helsinki at Main building		
19:30	Social event at Allas Pool (separate ticket required)		
21:00			
23:00			

Monday, 30 June

6:40	EACPT early morning activities (run, walk or yoga)		
7:40	Keynote Lecture 2: Climate Change and its Health Dimensions (Petteri Taalas)		
8:20			
9:00	Session A3: Societal perspective of pharmacotherapy	Session B4: Drug development beyond the era of small molecules	Session C4: Neurodegenerative diseases
10:30	Refreshment Break		
11:00	Session A4: TDM: benefits and limitations	Session B5: Addressing unmet needs	Session C5: Chronic pulmonary diseases
12:30	Lunch and networking Poster Session from 13:00 to 14:00		
13:00	Industry Sponsored Session A5: Medbase Symposium - Decision support tools in pharmacotherapy	Session B6: ADME biomarkers and extracellular vesicles: Phenotyping of drug metabolism, transport, and interactions	Session C6: Vascular diseases
14:00	Refreshment Break		
15:30	EACPT general assembly		
16:00			
17:00	Sponsored Session: BCPT Nordic Symposium - Translational methods in drug metabolism and toxicity	EASLDHILI & IUPHAR Session B7: Drug induced liver injury - Current topics	Education symposium 2 (Education Working Group) EU Project reporting
18:30	60 min BREAK		
19:30	Congress dinner		
23:30			

Nordic Drug Information Centers Meeting (NDIM 2025), for NDIM attendees only

EACPT Council meeting

Tuesday, 1 July

8:30	KSCPT and EACPT Workshop on Model-informed precision dosing	EUFEDEM Workshop	Meet-the-Editors Workshop
9:30	Session A6: Pharmacoeconomics: economic aspects of pharmacotherapy	Session B8: Using routinely collected data to inform clinical pharmacology	Session C7: Global infectious disease threats
11:00	Refreshment Break		
11:20	To be announced		
12:00	Lunch and networking Poster Session from 12:30 to 13:30		
13:30	ESPT & IUPHAR Session A7: Pharmacogenomics - challenges for implementation in different medical specialties	Session B9: Advances in clinical trials methodology	Session C8: New strategies in treatment of cancer
14:50	Awards and closing ceremony (EACPT Chairs)		
15:00			
16:00
