

NUTRITION CONGRESS

7- 9 OCTOBER 2026

WANDERERS CLUB, JOHANNESBURG

QHAMUKA: A CALL TO SERVE, LEAD & INNOVATE IN NUTRITION

2026 TRADE DOCUMENT

2026 NUTRITION CONGRESS

The Association for Dietetics in South Africa (ADSA) and the Nutrition Society of South Africa (NSSA) warmly invite you to be part of the 2026 Nutrition Congress, at the Wanderers Club, Johannesburg, 7-9 October 2026

This congress is more than just a scientific gathering—it's a platform where professionals, innovators, and organisations come together to advance the field of nutrition and dietetics for the benefit of all South Africans. By partnering with us as a sponsor or exhibitor, you are joining a movement that champions better health, informed communities, and sustainable nutrition practices. Together, we can make a meaningful impact in the communities where we live and work. Your support helps us create a space for knowledge exchange, professional development, and collaboration that drives real change in public health.

The organising committee warmly welcomes the involvement of private sector partners as sponsors and exhibitors. Your support plays a vital role in helping us advance the fields of nutrition and dietetics for the benefit of the communities we serve. We are committed to working with organisations that share the values and principles of ADSA and NSSA. To ensure alignment with our mission, we kindly ask that participating companies reflect our commitment to ethical, health-promoting practices. In line with this, companies involved in the manufacture of breastmilk substitutes and other designated products as defined in R991 (Regulations relating to Foodstuffs for Infants and Young Children) will not be eligible to participate. Similarly, we aim to partner with food and beverage companies that promote healthy, balanced nutrition for all.

We invite all interested organisations to complete a short online application form to help us ensure a good fit. Together, we can create a meaningful and impactful congress experience—one that supports professional collaboration and promotes better health outcomes across South Africa.

SPONSORSHIP & EXHIBITION OPPORTUNITIES

OPTION 1 | CONGRESS EXHIBITOR

Cost: R32 000 | 3m x 2m OR R42 000 | 4m x 2m
