POSTERS PRESENTATIONS | Listed by Category - Presenter Last Name

I&TT Celebrating Successes and Learning from Failures in I&TT		
1	Balancing research funds with research activities: Managing overspending and underspending at MRCG at LSHTM	Ms Isatou Foon, Medical Research Council at London School of Hygiene and Tropical Medicine (Gambia)
I&TT Collaborative I&TT: Strategies and Structures		
2	Accelerating innovation: Strategies for effective technology transfer in developing countries – The African Experience	Ms Solinda Gomez Kwokori, Medical Research Council at London School of Hygiene and Tropical Medicine (Gambia)
3	Leveraging the Quadruple and Quintuple Helix Innovation Models for sustainable innovations in SADC Universities	Mr Livison Msonthe, Malawi University of Business and Applied Sciences (Malawi)
4	Strengthening University-Industry-Government collaboration in South Africa's innovation ecosystem	Mr Ntiyiso Shabangu, North-West University (South Africa)
5	The impact of University internationalisation on technology commercialisation: Lessons and challenges	Ms Litha Tywakadi, Stellenbosch University (South Africa)
I&TT Innovation and Entrepreneurship in the Research & Development Ecosystem		
6	Mapping innovation as an emergent process: Identifying five innovation clusters using a non-linear modelling approach	Dr Colene Hind, University of South Africa (South Africa)
7	Building entrepreneurial ecosystems within state owned enterprises: A pathway to sustainable innovation	Dr Kim Lamont-Mbawuli, Mintek (South Africa)
8	Development of a training programme to introduce entrepreneurship in the nursing curriculum in South Africa	Ms Ledile Edith Manamela, University of Limpopo (South Africa)
9	Towards building an outcomes-based model in social franchising of product-service systems: A scoping review	Dr Thembinkosi Maphosa, University of the Western Cape (South Africa)
10	Building a health innovation ecosystem at KUHeS: Bridging research, entrepreneurship, and Impact in Malawi	Ms Tadala Nsaliwa & Mr Alfred Kunje, Kamuzu University of Health Sciences (Malawi)
11	Advancing University innovation through intellectual property and readiness level frameworks	Mr Letlotlo Phohole, University of the Witwatersrand (South Africa)
I&TT Measuring What Matters: Frameworks and Metrics for Evaluating Innovation Impact		
12	Assessing innovation and translational research capacity to advance health R&D commercialisation at higher education institutions	Dr Ezekiel Boro, Liverpool School of Tropical Medicine (United Kingdom)
RM Navigating Disruption: Building Agile Research Management Environments		
13	Empowering research: The role of Professional Research Committee (PRC) for professional and support staff	Ms Amisha Benode, University of South Africa (South Africa)
14	Navigating disruption: Building agile research management environments in a University of Technology	Mr Prajesh Bhikha, Vaal University of Technology (South Africa)
15	Engaging researchers and research managers in agile research management environments in the University of Ghana	Ms Beatrice Biney-Nyamekye, University of Ghana (Ghana)
16	Capacitating RMAs for the unknown: A mentorship perspective	Mr Sidney Engelbrecht, King Abdullah University of Science and Technology (Saudi Arabia) & Ms Tanya Coetzee, University of the Witwatersrand (South Africa)
17	Navigating disruption: Building agile research management environments	Mr Bakary Fatty, Medical Research Council at London School of Hygiene and Tropical Medicine (Gambia)
18	Managing MSCA doctoral network grants: A case study in unexpected challenges, agility and perseverance	Ms Maléne Fouché, Stellenbosch University (South Africa)
19	Navigating the researcher lifecycle: Institutional support at University of Cape Town Faculty of Health Sciences	Ms Carlette Hlungwani, University of Cape Town (South Africa)
20	SARIMA-Supported Study identifies broad non-compliance in Animal Research Ethics Committees in South Africa	Dr Bert Mohr, Scientific Veterinary Consulting (South Africa)
21	Research funding as a mechanism for strengthening capacity development in South African Universities	Mr Tshediso Msibi, Ms Malebo Mohlala & Mr John Mamokhere, University of Johannesburg (South Africa)
22	Navigating disruption: Building agile research management environments	Ms Mudanalo Mulaudzi, University of the Witwatersrand (South Africa)
23	Thriving in uncertainty: Crafting agile research management for a disruptive future	Mr Daniel Kweku Shadow, University of Ghana (Ghana)
24	My internship journey into the world of research administration for support staff	Ms Reconcile Sibuyi, University of South Africa (South Africa)

25	Reviving research culture from the brink: Insights from the Inaugural MUBAS Internal Grant Initiative	Mr George Sinjani, Malawi University of Business and Applied Sciences (Malawi)
26	Embracing a robust project management approach to strengthen research management at MRC/UVRI and LSHTM Uganda	Mr Renny Ssembatya, Medical Research Council at London School of Hygiene and Tropical Medicine (Uganda)
27	Recognizing research management within institutions in Central Africa: The case of Cameroon	Ms Octavia Tedjo, MDRG - University of Yaounde 1 (Cameroon)
28	Research and innovation management in the context of Public Universities in Mozambique: Challenges and perspectives	Dr Eurides Felisberto Tendaunga, Zambeze University (Mozambique)
RM Research Ethics and Unexpected Challenges		
29	Improving researchers success with section 20 permits	Ms Suraya Azam, University of Cape Town (South Africa)
30	Ethical challenges in AI-Driven research: Consent, data privacy, and algorithmic bias	Mr Kaparela Khalo, University of Limpopo (South Africa)
31	Ethical resilience: Adapting to emerging challenges encountered by Health Research Ethics Office at Stellenbosch University	Ms Charmaine Khumalo, Ms Siti Kabanda, Mr Ashwin Manuel & Ms Brightness Nxumalo, Stellenbosch University (South Africa)
32	Calm waters never make skilled research managers: Traversing challenges of AI in an ethical manner	Mr Ashwin Manuel, Stellenbosch University (South Africa)
33	Overcoming challenges in research ethics: Strategies for strengthening ethical oversight at MUBAS	Ms Lucy Moyo, Malawi University of Business and Applied Sciences (Malawi)
34	Building REC administrators capacity to enhance quality of ethics review: The case of NWU-REC administrators	Ms Feziwe Mseleni, North-West University (South Africa)
35	Research ethics and unexpected challenges: Ensuring ethical integrity in clinical trials	Ms Ausaye Ngwira, Kamuzu University of Health Sciences (Malawi)
36	Confronting the unexpected challenges of research ethics: The role of institutional review board (IRB)	Mr Thomas Ojedokun, University of Ibadan (Nigeria)
37	Anticipating the unforeseen: Ethical challenges in balancing research protocols and progress reports	Dr Tukiso Sewapa & Mr Siyanda Manqele, University of Limpopo (South Africa)
38	Research Ethics and Unexpected Challenges: The Roles of Research Managers and Administrators.	Mr Seedy Sey, MRCG at LSHTM (Gambia)
39	The cost of REC membership: Anticipating and addressing REC member burnout in higher education institutions	Ms Simangele Shezi & Mr Siyanda Manqele, Nelson Mandela University (South Africa)
40	Navigating the intersection of industry standards and Animal Welfare in South African Animal Research	Ms Biosha Thompson, Stellenbosch University (South Africa)
41	Approaches for overcoming challenges and upholding ethical integrity in establishing an inter-faculty REC.	Ms Lisa Marie Williams, University of Cape Town (South Africa)
RM Research Information Management: The Constant of Strategic Decision-Making in a Dynamic Landscape		
42	Assessing the NRF rating process and institutional incentives at a South African University	Ms Heide Goedhals, North-West University (South Africa)
43	The dichotomy of research management: Administrative versus academic duties - Who are we?	Ms Charmaine Khumalo & Mr Siyanda Manqele, Stellenbosch University (South Africa)
44	Pre-award audit within the UCT Faculty of Health Sciences: An analysis of researcher grant-seeking behaviour	Ms Boitumelo Mdluli, University of Cape Town (South Africa)
45	Enhancing research information management: A case study of strategic tool deployment at Stellenbosch University	Ms Puseletso Motsomane, Stellenbosch University (South Africa)
46	Leveraging Research Information Management (RIM) Frameworks for enhanced collaboration and knowledge exchange in Malawi	Mr Yesaya Nyirenda, Kamuzu University of Health Sciences (Malawi)
47	Utilising research output data for effective monitoring and evaluating of research entities at SA Universities	Ms Teresa Smit, North-West University (South Africa)
48	Impact of ineffective communication on budget overspend in research administration at MRCG@LSHTM	Mr Babucarr Touray, Medical Research Council Unit The Gambia at LSHTM (Gambia)
RM The Changing Face of Collaboration: Rethinking Networks in Research Management		
49	Strengthening research networks for research and innovation uptake: Collaboration for water security in Namibian Municipalities	Dr Vuyisile Dlamini, Namibia University of Science and Technology (Namibia)
50	Transforming collaborations for sustainable impact – A case study of Kamuzu University of Health Sciences (KUHeS)	Ms Esther Gondwe & Mr Andrew Kachere, Kamuzu University of Health Sciences (Malawi)
51	The changing face of collaboration: Navigating institutional networks for platinum accreditation	Ms Mandy Jampies, University of the Free State (South Africa)
52	Research collaboration: A fresh perspective on strengthening networks for sustainable impact	Ms Doret Kruger, North-West University (South Africa)
53	Strengthening cross-border networks and digital platforms between research institutions in West and Southern Africa	Prof Abdulkarim Oloyede, University of Ilorin (Nigeria)
54	Strengthening institutional support mechanisms to enhance early-career researchers' participation in consortium-driven funding applications	Ms Lizél Senekal, Stellenbosch University (South Africa)
55	Laying the ground rules for two centres of excellence	Dr Elaine Sinden, University of the Western Cape (South Africa)
56	Research grant managers as catalysts for change: Rethinking global collaboration	Ms Thato Tantsi, Nelson Mandela University (South Africa)
Combined Cultivating Potential: The Impact of RMAs and I&TT Professionals on the Next Generation of Researchers		
57	Empowering early-career researchers and emerging scientists: The role of research management & innovation professionals	Mr Levert Louw, Stellenbosch University (South Africa)
58	A day in life of financial research administrator: Coaching researchers through maze of financial transactions	Ms Kelebogile Motsage, University of South Africa (South Africa)
Combined Fostering an Institutional Research and Innovation Culture for Sustainable Impact		
59	Influence of technology transfer offices on patent disclosure and commercialization among academics in Nigeria	Dr Caleb Adelowo, National Centre for Technology Management (Nigeria)
60	The role of digital platforms and AI in enhancing teaching and research in descriptive geometry	Dr Daniel Da Costa, Pedagogical University of Maputo (Mozambique)
61	Fueling innovation: The power of incentives in research publications	Prof Velisiwe Gasa, Prof Nomanesi Madikizela-Madiya & Dr Enid Pitsoane, University of South Africa (South Africa)

62	Stellenbosch University's advancement of research and innovation for inclusive education: The impact of HandLab	Mr Khulekani Khumalo, Stellenbosch University (South Africa)
63	Promoting gender equity in applying and attaining NRF rating in South African Universities: Review of practice	Mr John Mamokhere & Ms Katleho Mokwatsi, University of Johannesburg (South Africa)
64	Strengthening ethical competence in innovation: Developing ethical education tools for innovators and stakeholders in Africa	Dr Limbanazo Matandika, Malawi University of Business and Applied Sciences (Malawi)
65	Empowering young innovators: Faculty mentorship as a catalyst for research commercialization	Dr Limbanazo Matandika, Malawi University of Business and Applied Sciences (Malawi)
66	Role of IP in driving the operationalisation of education 5.0 in TVET institutions Kwekwe Polytechnic	Ms Sylvia Moto, Kwekwe Polytechnic (Zimbabwe)
67	Promoting an institutional culture of research and innovation in higher education institutions in Mozambique	Prof Fernando Muzime, Universidade Metodista Unida De Mocambique (Mozambique)
68	Fostering an institutional research and innovation culture for sustainable impact	Ms Ntombiyenkosi Nkosi, Central University of Technology (South Africa)
69	University leadership in research and innovation: A strategic framework for African competitiveness	Prof Abdulkarim Oloyede, University of Ilorin (Nigeria)
