

Dr Chris Trauernicht

South Africa

Chris Trauernicht is the head of the medical physics division at Tygerberg Hospital in Cape Town, as well as an associate professor at Stellenbosch University. He is the current president of the Federation of African Medical Physics Organisations (FAMPO) and also serves on the Accreditation Board of the International Organisation for Medical Physics (IOMP).

Chris has north of 150 congress contributions and 30 papers. He serves as an assessor for the Health Professions Council of South Africa and has acted as examiner and convenor for the Colleges of Medicine of South Africa. The IAEA has appointed Chris as expert on numerous occasions.

Chris was the recipient of the 2020 “International Day of Medical Physics” award for his services to medical physics in the FAMPO region.
