

Assoc Prof Jane Battersby

South Africa

Assoc Prof Jane Battersby is based at the Department of Environmental and Geographical Science at the University of Cape Town, and is the co-lead of the Guild/ARUA Cluster of Research Excellence on Food Environments for the Promotion of Health. Her research and policy advocacy focusses on urban food security and nutrition and urban food systems. In 2024 she was the project lead on the HLPE-FSN Report on Strengthening urban and peri-urban food systems to achieve food security and nutrition, in the context of urbanization and rural transformation.
