

## Dr Mable Kekana

Pretoria, South Africa

---

### **TEACHING and RESEARCH SUPERVISION EXPERIENCE**

Radiographic techniques, clinical radiographic practice, management, computerised tomography, quality management, ethics and human rights, research principles, interprofessional education and collaboration.

My research and research supervision experience ranges from undergraduate, honours, Masters and PHD. Also involved in the evaluation of the Master and PHD research proposals in the School of Healthcare Sciences at UP. I have been examiner for Masters and PHD.

### **LEADERSHIP ROLES**

I am the Head of Department of Radiography and Chairperson of the School of Healthcare Sciences (SoHCS).

Also chairperson of the Executive committee and Shared Modules committee in the SoHCS. Was chairperson of the Radiography and Clinical Technology Board (HPCSA) from 2004 to 2015. Was chairperson of the Ethics, Human Rights and Professional Practice Committee of the HPCSA. A leader in Children Ministry at Newday Church, in Birchleigh.

### **PRESENTATIONS and PUBLICATIONS**

Have presented posters and papers at local, national and international conferences. Topics covered included, those related to my teaching and learning experience, assessments and research as well as clinical radiography practice.

Local presentations included continuing professional development activities for radiographers. Have published more than 10 scholarly articles in local and international journals.
