

2nd Joint

# SAINTS - SAFIRE Congress

3 - 5 NOVEMBER 2023

CENTURY CITY CONFERENCE CENTRE • CAPE TOWN  
SOUTH AFRICA

23 January 2023

On behalf of the South African Interventional Society (SAIntS) we cordially invite you to attend the 2nd Joint SAFIRE/SAIntS congress in Cape Town, South Africa to be held from 3-5 November 2023.

This will be the second joint meeting of the Society of African Interventional Radiology and Endovascular therapy and the South African Interventional Society.

We assure you of an experience where you will be exposed to both a technically advanced and academically stimulating program, the theme "**Expanding the IR horizons in Africa**" IR experts from Africa, Europe and the USA will share their experiences and we look forward to an excellent in-person Faculty.

Highlights of the event will include displays, product demos, simulators and the opportunity to interact with colleagues and some of the best IR's in the world. Potential exposure to the untapped African market, as we are expecting significant participation from the rest of sub Saharan Africa at the congress.

The venue at the Century City Conference Centre, in Cape Town was chosen particularly with sponsors and exhibitors in mind. Exhibiting companies can be assured of adequate exposure to congress delegates, as lunch and tea will be served in the exhibition area (exhibition space will be allocated on a first come first serve basis).

It is not possible to have meetings such as these without the involvement of vendors such as you. For the event to be accessible and affordable to the widest possible audience, corporate buy-in is essential. We would appreciate your support of the event.

We encourage you to partner with SAINTS | SAFIRE, in this venture by becoming a co-sponsor of the congress. We ask those who will take part to include practical hands-on displays and simulators. Sponsorship may be in any one or more of the following options:
