

Dear Exhibitor,

2026 Physicians Conference | Protea Hotel Conference Centre, Stellenbosch | 4 – 6 June 2026

On behalf of the Department of Medicine at Stellenbosch University, we are pleased to invite you to the 2026 Physicians Conference in Stellenbosch. This event marks the third collaborative effort between the Departments of Medicine at the Universities of Cape Town (UCT) and Stellenbosch (US), bringing together leading experts, healthcare professionals and trainees for dynamic discussions on emerging knowledge in the fields of internal medicine.

The three-day main program will include a series of interactive workshops that provide interactive training on practical strategies and clinical reasoning.

The proposed programme will include topics from all the disciplines of medicine including renal medicine, rheumatology, pulmonology, gastroenterology, neurology, infectious diseases, pharmacology, haematology, cardiology, dermatology and clinical immunology. It is the combination of enthusiastic faculty, the practical, interactive workshops and the theory updates that have made this conference the great success it has been over the years.

We expect to welcome between 150 and 200 attendees to the event with the goal to facilitate meaningful collaborations between academia, the private sector and industry that will drive long-term growth and innovation.

We extend a special invitation to your company to support this event. Kindly complete the form of intent ([click here to download](#)) and return as soon as possible to Hanri Lennox on e-mail hlennox@consultus.co.za

Exhibition stands will be allocated on a first come first serve basis and will only be confirmed upon receipt of exhibition fees.

We look forward to welcoming you to the picturesque town of Stellenbosch!

Kind Regards,
Prof Jantjie Taljaard
Chair: Organising Committee
