

Dr Hammed Ninalowo

Nigeria

Dr Hammed Ninalowo is a Board Certified Vascular and Interventional Radiologist who completed his training at the prestigious University of Pennsylvania and is the first US-trained Physician to offer the full spectrum of interventional Radiology services.

He obtained his medical degree at the University of Illinois and graduated at the top of his class with honours (Alpha Omega Alpha).

He has a passion for improving access to Minimally invasive therapies in the West African Population.

Through his firm, irdocnigeria, he has transformed the field of interventional Radiology in Sub-Saharan Africa, making the life-saving techniques of IR readily available to the population.
