

## Dr Chidubem Ugwueze

United States of America

---

Chidubem Ugwueze is an Assistant Professor of Interventional Radiology at the Dotter Institute of Oregon Health and Sciences University.

He completed his bachelor's and graduate degrees at the University of Southern California; earning a Bachelor of Science in Biochemistry, a Masters degree in Global Medicine, and a Doctor of Medicine.

He completed his Diagnostic Radiology residency at Icahn School of Medicine at Mount Sinai West and his Interventional Radiology independent residency at Icahn School of Medicine at Mount Sinai Hospital in New York.

As a resident, Chidubem founded his institution's RAD-AID chapter and went on to organize and participate in virtual and in-person diagnostic and interventional radiology global outreach projects in Nigeria, Tanzania, Uganda, and Ghana.

He is currently serving as the project manager for RAD-AID Nigeria.
