Dr Gareth Bydawell
MBChB, FRCR, EBIR
Professional Affiliations: RSSA, CIRSE, SIR, ESGAR

Gareth is an Interventional Radiologist working in private practice at Lake, Smit & Partners in Durban, and is also an Honorary Lecturer at Inkosi Albert Luthuli Central Hospital in Durban.

He completed his medical degree at the University Of Cape Town in 1998, and specialized in Radiology at St George's Hospital in London. He also completed a one year Interventional Radiology fellowship at St George's Hospital.

Gareth is a member of ESGAR as well as the CIRSE and SIR overseas interventional societies, and obtained the EBIR diploma in Vienna in 2014.

He is part of an enthusiastic IR team at Lake, Smit & Partners, a thriving IR referral centre for the whole of KZN, offering a broad range of procedures. His special interests include Interventional oncology, Hepatobiliary IR and Radial Interventions such as UFE and PAE.

He is affiliated as a proctor with multiple medical companies and regularly teaches and supervises IR procedures nationwide.

Gareth hopes to play an active role in the ongoing development of the SAINTS society and to contribute further to the growth of Interventional Radiology within South Africa.
