

## Dr Desiree Moodley

South Africa

---

Dr Desiree Moodley is a gastroenterologist at Tygerberg Hospital and a senior lecturer in the Division of Gastroenterology at Stellenbosch University. She obtained her undergraduate degree at the University of the Witwatersrand, and completed her training in Internal Medicine followed by Gastroenterology at Stellenbosch University.

She has a special interest in oesophageal motility disorders and is actively involved in high-resolution manometry. Her clinical and research interests include *Helicobacter pylori*-related disease, inflammatory bowel disease, metabolic liver disease, and pragmatic approaches to complex gastroenterology in resource-limited settings. She has received The Solly Marks scholarship, as well as the Aspen Scholarship in recognition of her academic work and ongoing contributions to clinical research.
