

Ms Charlotte Beardmore

United Kingdom

Charlotte is executive Director of Professional Policy of the Society and the College of Radiographers (SCoR) and Immediate Past President and current Board member of the European Federation of Radiographer Societies (EFRS). Charlotte is an honorary member of the Royal College of Radiologists. She is a Past President of the Society and College of Radiographers.

Charlotte has over 35 years of experience as a Radiographer, expanding across clinical, project and leadership positions in the NHS and private sector and currently is part of the Executive team at the SCoR working with SCoR UK Council and the College Board of Trustees, and is responsible for leading the professional and educational team at the SCoR who provide support and guidance for professional practice, education and research for the radiography profession.

Charlotte currently co-chairs the national Health Education England HEE advancing Clinical practice programme board for the multi-professional workforce within the Centre of Advancing Practice.
