

Marcelle Ramos Swanepoel

South Africa

Ms Marcelle Ramos is an experienced radiographer, educator, and mammography specialist with over 20 years of professional experience. She has been a qualified radiographer since 2005 and has spent the past 11 years at the Central University of Technology (CUT), where she currently serves as the WIL Coordinator for the Radiography Programme and teaches practical skills to second-year students.

Passionate about education and student development, Marcelle takes great pride in helping students grow and reach their potential. She is also completing her Master's degree in Radiography, having submitted her dissertation on Diagnostic Reference Levels and image quality in mammography and currently working on her research article.

Outside of her professional life, Marcelle is a proud mother of two teenage boys, who, in her own words, "keep me on my toes and on my knees." Her family, teaching, clinical experience, and passion for mammography continue to inspire her both personally and professionally.
