## 25/26 Apprenticeship Funding Rules Explained

**TUESDAY 24 JUNE 12:20-13:20**

### FUNDING Zone

#### ABOUT THIS SESSION

This workshop, by the DfE, offers an overview of the changes to the 2025/26 Apprenticeship Funding Rules. Learn what's new, what's changing, and how these updates will affect delivery and compliance.

#### WHY YOU SHOULD ATTEND THIS SESSION

Stay ahead of the curve with a solid understanding of the latest funding rule changes. Ensure your organisation remains compliant and fully informed to adapt confidently for the year ahead.

#### WHO SHOULD ATTEND THIS SESSION

Compliance managers, funding specialists, operations leads, and senior delivery staff responsible for interpreting and implementing apprenticeship funding rules. Essential for providers aiming to maintain compliance and adapt delivery models in line with 2025/26 updates.

#### SPEAKER OVERVIEW

**John** has spent all of his 39 years of working life in education and training with an emphasis on work-based learning, particularly Apprenticeships for which he has a real belief and passion. During this time, he has held a number of senior roles and led on key areas for the DfE including employer engagement, contracting, market entry and now Head of Funding Delivery, where he is responsible for the Funding Rules, Funding Approvals and the work on EPA reform.
