Quality Improvement Software

*"Thank you. You are making such a difference to the sector!"* SDN-Mesma Event Delegate

## **A new Ofsted inspection framework is coming. Navigate the change with confidence.**

Against a backdrop of wider sector change, we know that having easy-to-access support & CPD is critical.

**That's why all online SDN-Mesma Ofsted framework change events will be free to attend throughout 2025.**

- Digest the latest updates when they happen
- Understand what they mean in practice
- Prepare for the new inspections with confidence.

---

## **Unpacking Ofsted's New Proposals: A Practical Walkthrough**

*With Lou Doyle & Carole Loader, Mesma*

This recorded live session focuses on the key areas to consider, & how to engage in the consultation process.

From the report cards to grading scales & inspection methods, we consider how these changes could shape future inspections & how you can be prepared.

*Access the recording and sign up for updates on more Ofsted framework events*
