DfE / Apprenticeship Service – Improving access to funding and support for employer

MONDAY 23 JUNE 11:40-12:40

FUNDING Zone

ABOUT THIS SESSION

This workshop, led by the DfE and Apprenticeship Service team, will walk you through the latest improvements to the Apprenticeship Service, focusing on simplifying access to funding and support for employers. Learn about the new ILR-led "add an apprentice" journey, changes designed to streamline provider payments, and what's coming next.

WHY YOU SHOULD ATTEND THIS SESSION

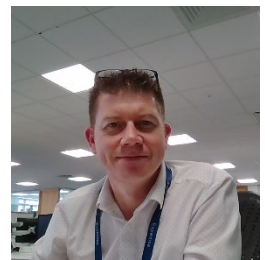

Get a clear understanding of how the Apprenticeship Service is evolving to support skills growth. See live demonstrations, gain practical insights into improved processes, and learn how these changes will directly benefit your organisation and employer partners.

WHO SHOULD ATTEND THIS SESSION

Apprenticeship operations managers, compliance officers, MIS and funding teams, and employer engagement staff responsible for onboarding learners and managing employer accounts through the Apprenticeship Service. Essential for providers looking to streamline processes, improve payment accuracy, and support employer partners more effectively.

SPEAKER OVERVIEW

Jason Poole is Head of apprenticeship operations and support at DfE. Jason has worked at the Department since 2001 and leads the live service operations and support for all apprenticeship services. Throughout his DfE career he has always worked closely with apprenticeships and recognise the important role they play in supporting citizens to achieve their potential alongside economic

Perdip Nahal is Product Manager for Apprenticeship Service Employer account and Approvals journeys
