Registration information

We are looking forward to welcoming and bringing our community together for World Physiotherapy's 21st General Meeting in Guadalajara, Mexico on 11-12 May 2027.

All delegates must register to attend the **in-person** World Physiotherapy 21st General Meeting.

In accordance with the constitution, Member Organisations must notify the Chief Executive Officer in writing as to whether a Voting Delegate will be attending a General Meeting by **23:59 UTC** on **31 March 2027**.

Registration for all delegates must be completed by **11 April 2027**. All 2027 membership subscription fees must be paid by **11 April 2027**, or your delegates will not be able to participate in the General Meeting.

World Physiotherapy will not accept payment onsite in Guadalajara.

In advance of the General Meeting there will be an online orientation session and any briefings considered helpful for specific agenda items.

We will again be providing simultaneous interpretation in French and Spanish.

Please ensure you read the registration instructions and notes below before completing the online registration process.

Instructions

The online registration form can only be accessed by the primary contact of your organisation. Use of the link means that the chair or president of the member organisation has authorised the nominated voting and non-voting delegates, as per Article 27.2(b) of the constitution.

The primary contact or the chair/president will need to confirm on behalf of the organisation and at the same time will be able to register all the delegates.

Registration categories

1. **Voting delegate** means a person sent to a General Meeting by a member organisation entitled to vote at the meeting. They must be a physiotherapist.
2. **Non-voting delegate** means a person sent to a General Meeting by a member organisation, region or specialty group who is not entitled to propose or second motions or vote at that meeting.
3. **Observer** means additional delegates from member organisations, regions or specialty group, or a person invited to the general meeting by the board, who is not entitled to propose or second motions or vote at that meeting.

Registration numbers

Member organisations can register one voting delegate, up to two non-voting delegates and up to two observers.

Regions and Specialty Groups can register one non-voting delegate and up to two observers.

Invited organisations can register up to two observers.

Fees

The following delegates do not need to pay to attend the General Meeting:

(a) Voting Delegates
(b) Region and Specialty Group Non-Voting Delegates

All other delegates and observers are required to pay to register for the meeting.

Registration fees

The registration fee for all other non-voting delegates and observers is USD 275.

This fee includes lunch, refreshment breaks, and the general meeting reception on 12 May.
