12.55	LUNCH

Monday 24th January 2022

13:40 – 15:20	SESSION 3: Prevention and Early Diagnosis
	Chairs: <i>Sarah Pinder</i> , Chair of Breast Pathology, King's College London & <i>Gareth Evans</i> , Professor of Medical Genetics and Cancer Epidemiology, University of Manchester
	13:40 Molecular evolution of breast cancer <i>Lucy Yates</i> , Clinical Career Development Fellow, Wellcome Sanger Institute
	14:00 Personalised breast cancer screening <i>Fiona Gilbert</i> , Professor of Radiology, University of Cambridge School of Clinical Medicine
	14:20 Past, present and future directions in breast cancer genetics <i>Douglas Easton</i> , Professor of Genetic Epidemiology, University of Cambridge
	14:40 Strategies to prevent breast cancer <i>Kelly-Anne Phillips</i> , Medical Oncologist and Senior Strategic Research Leader, Peter MacCallum Cancer Centre, Melbourne, Australia
	15:00 Panel discussion

15:20	BREAK
--------------	--------------

15:45 – 17:25	SESSION 4: Metastatic Breast Cancer
	Chairs: <i>Caroline Wilson</i> , Consultant Medical Oncologist, Sheffield Teaching Hospital NHS Foundation Trust & <i>Leena Chagla</i> , Vice President ABS, Head of Breast Unit, St Helens and Knowsley Teaching Hospitals NHS Trust
	15:45 Should we be offering next generation sequencing for routine clinical use? <i>Fabrice André</i> , Head of Research and Professor Department of Medical Oncology, Institut Gustave Roussy Villejuif, France
	16:05 Immunotherapy for metastatic breast cancer <i>Peter Schmid</i> , Professor of Cancer Medicine, Cancer Research UK
	16:25 Optimal management and treatment sequencing of ER+ HER2- metastatic breast cancer <i>Stephen Johnston</i> , Consultant Medical Oncologist, Royal Marsden NHS Foundation Trust
	16:45 Role of surgery in metastatic breast cancer <i>Nita Nair</i> , Professor and Consultant Surgeon, Tata Memorial Centre, Mumbai, India
	17:05 Panel discussion

17:25	BREAK
--------------	--------------

18:00 – 19:00	PROMOTIONAL INDUSTRY-LED SYMPOSIUM ORGANISED AND FUNDED BY GILEAD SCIENCES LTD.
----------------------	--

Tuesday 25th January 2022

07:45 - 08:45	INDUSTRY SYMPOSIUM: SANOFI
09:10 – 10:55	SESSION 5: Translational/Basic Science 09:10 Welcome and Introduction Chairs: <i>Ingunn Holen</i> , Professor of Bone Oncology, The University of Sheffield & <i>Thomas Hughes</i> , Associate Professor of Cancer Biology at the University of Leeds 09:15 Co-targeting CDK4/6 and AKT with endocrine therapy overcomes CDK4/6 inhibitor and endocrine therapy resistance in preclinical breast cancer models <i>Henrik J. Ditzel</i> , Head of Research, Department of Oncology, Institute of Clinical Research, Odense University Hospital, Denmark 09:40 The challenge of modelling of brain metastases - combining in vivo, cell culture and organotypic approaches to investigate brain extravasation <i>Georgia Mavria</i> , University of Leeds 10:05 The role of gamma delta T cells in breast cancer development/metastasis <i>Seth Coffelt</i> , Senior Research Fellow, Beatson Institute for Cancer Research, University of Glasgow 10:30 Understanding breast cancer through use of single-cell systems biology <i>Bernd Bodenmiller</i> , Professor for Quantitative Biomedicine, ETH Zurich, University of Zurich
10:55	BREAK
11:20-13:05	SESSION 6: Living with and beyond breast cancer Chairs: <i>Anne Armstrong</i> , Consultant Medical Oncologist, The Christie, Manchester, Independent Cancer Patients' Voice (ICPV) and <i>Lesley Turner</i> , Patient Advocate, Independent Cancer Patients' Voice (ICPV) 11:25 Unmet need and follow-up <i>Janet Dunn</i> , Professor of Clinical Trials, University of Warwick 11:50 Breast Cancer Now's Helpline and patient focused resources <i>Jane Murphy</i> , Senior Nurse Helpline and Ask Our Nurse Service 12:15 Adherence/ real world data <i>Lyndsay Hughes</i> , Programme Director of MSc Health Psychology, King's College London 12:40 Supporting women with adherence to endocrine therapy following breast cancer: the SWEET programme <i>Linda Sharp</i> , Professor of Cancer Epidemiology, Newcastle University
13:05 – 13:45	LUNCH

Tuesday 25th January 2022

13:45-15:30	SESSION 7: Breast cancer management and research: Our vision for the future
	13:45 Introduction Chairs: <i>Baroness Delyth Morgan</i> , Chief Executive, Breast Cancer Now & <i>Catherine Harper-Wynne</i> , Consultant Medical Oncologist and Honorary Senior Lecturer University of Kent, Kent Oncology Centre
	13:50 Future of cancer services in the UK <i>Dame Cally Palmer</i> , National Cancer Director, NHS England & Improvement
	14:00 Future vision for breast surgery <i>Raghavan Vidya</i> , Consultant Oncoplastic Breast & General Surgeon, Royal Wolverhampton Hospital
	14:10 Future vision for radiotherapy <i>Imogen Locke</i> , Consultant Clinical Oncologist, Royal Marsden NHS Foundation Trust
	14:20 Future vision for pathology <i>Sarah Pinder</i> , Chair of Breast Pathology, King's College London
	14:30 Future vision for radiology <i>Sarah Vinnicombe</i> , Consultant Radiologist, Thirlestaine Breast Centre, Cheltenham
	14:40 Future vision for clinical trials <i>Judith Bliss</i> , Professor of Clinical Trials, Institute of Cancer Research, London
	14:50 Future vision for systemic therapies <i>Mark Verrill</i> , Consultant Medical Oncologist, Freeman Hospital, Newcastle
	15:00 Panel discussion
15:30	BREAK
16:00 – 17:00	PROMOTIONAL PRESENTATION - ELI LILLY AND COMPANY
17:00	BREAK
17:30 – 18.00	INDUSTRY SYMPOSIUM: EXACT SCIENCES

GOLD SPONSORS

**EXACT
SCIENCES**

Lilly | ONCOLOGY
