14 - 15 March 2025  
Chesford Grange Hotel, Warwickshire

## Language World is...

Language World is the annual conference and training event of the Association for Language Learning. It is a highlight of the year for languages education and attracts hundreds of participants each day from across all sectors of education including primary and secondary schools as well as universities. It offers a packed programme with speakers from across the languages sector which attracts approx. 300 participants a day.

- ALL It is an exhibition: a large and varied exhibition, showcasing the latest in language learning resources and support.
- ALL It is a real boost to teaching: two days of ideas, advice, debate, networking and inspiration.
- ALL It is a celebration: speak to language teachers from the UK and around the world at **Language World!**

## Theme...

The theme of Language World 2025 is *Weaving a rich tapestry: Our languages, our world(s)*

There is a rich history of tapestry across different cultures around the world, the skill and object passed down from generation to generation, holding rich accounts of our unique stories as humans, weaved together in this, our world.

Tapestry is an art that requires motivation, dedication, patience and resilience, much like the process of language learning. Like a tapestry, the front that is shown can be quite different to the reverse. One might be perceived as more beautiful than the other but both are actually vital: process and product. In our classrooms, our unique experiences of the world and the communities we live in are intrinsically woven together. We weave together threads in our curriculum planning and teaching, in our subject, and more widely. We weave a narrative into our Schemes of Learning and our daily lesson planning, we weave together cultural experiences, grammar, phonics and vocabulary, we weave in experiences from home and school, we weave in other strands of learning, we weave in what we have learned and what we are learning, weaving in a little of ourselves, and we weave and weave some more... All the different pieces of thread, or cloth, make together a glorious piece, showing the richness of our unique experiences of teaching and learning.

Tapestry evokes a sense of home, a place that provides a sense of comfort and belonging, like our Association for Language Learning. It is the individual threads that hold the whole together. The theme is deliberately kept broad to allow you all, as languages educators, to find a thread that speaks to you.

## Venue

The event will take place on Friday 14 and Saturday 15 March 2025. Two days of Keynote Speakers, Parallel Sessions, Exhibition, Conference Dinner and of course huge networking opportunities with ALL members. Not forgetting the all-important Exhibition Drinks Reception!

We have most of the hotel for Language World so we are using all of their conference rooms. The plan can be viewed online and you can choose the best location for your stand. This year you can book and reserve your chosen location in real time. Footfall is good in all areas and refreshments will be placed throughout.
