# About BESS

## **The BESS Annual Scientific Meeting is the premier upper limb forum in the UK and Eire.**

The Brighton Centre is the largest purpose built events venue on the South Coast. Located on the city's iconic seafront, the centre is easy to get to by public transport, being just a 10-15 minute walk from Brighton Station.

Our local organising committee is looking forward to welcoming our industry friends to this exciting venue combining a seaside location with a vibrant city atmosphere. Brighton is one of the UK's most accessible and compact cities and everyone who visits loves it here!

- A dedicated delegate before and after the conference
- 1 x Conference app notification sent to all delegates on the day of your Industry Workshop
- Digital badge on the Conference App home page
- Company logo on every page of the conference website with hyperlink to own website (+500 words on the exhibition page)
- Branding on Conference slides showing supporters logo

There are a total of 6 Platinum Supporter Packages available.

### \*Industry Workshop content

Support of an Industry Workshop will allow companies to present a scientific programme relevant to the main theme of the conference. This is subject to the programme being acceptable to the Educational Committee. Companies will be asked to advise on the structure of the workshop and the BESS representative will have the final decision on the content of each workshop.

Workshops will run during the main conference programme. Platinum packages will entitle companies to one workshop. Allocation of the workshop is subject to availability at the time of booking. There will be a limit on the number of delegates per workshop to ensure they remain engaging and interactive.

Package includes Shell Scheme, 4 x chairs and standard electricity and includes:

- Hire of Workshop room with your company branding (one day)
- Hire of audio visual equipment and technician
- If required, staff to assist i.e. with distribution of material and roving microphones during the Industry Workshop

Please note all content of the Industry Workshop, adverts and push notifications are subject to approval of the BESS Council.

# Supporter Opportunities

## BESS 2025 Exhibition and Supporter Bookings

All bookings are made via the website, in real time, which will allow you to choose your stand number at the time of agreement. The stand sizes are based on the supporter packages, Platinum, Gold+, Gold, Silver and Bronze.

We will ask you on booking if you require the Shell scheme to be built or whether you want space only (excluding Bronze).

Stands are booked on a first come first served basis on the portal.

Power and one chair per exhibitor (based on their package) is included on each stand.

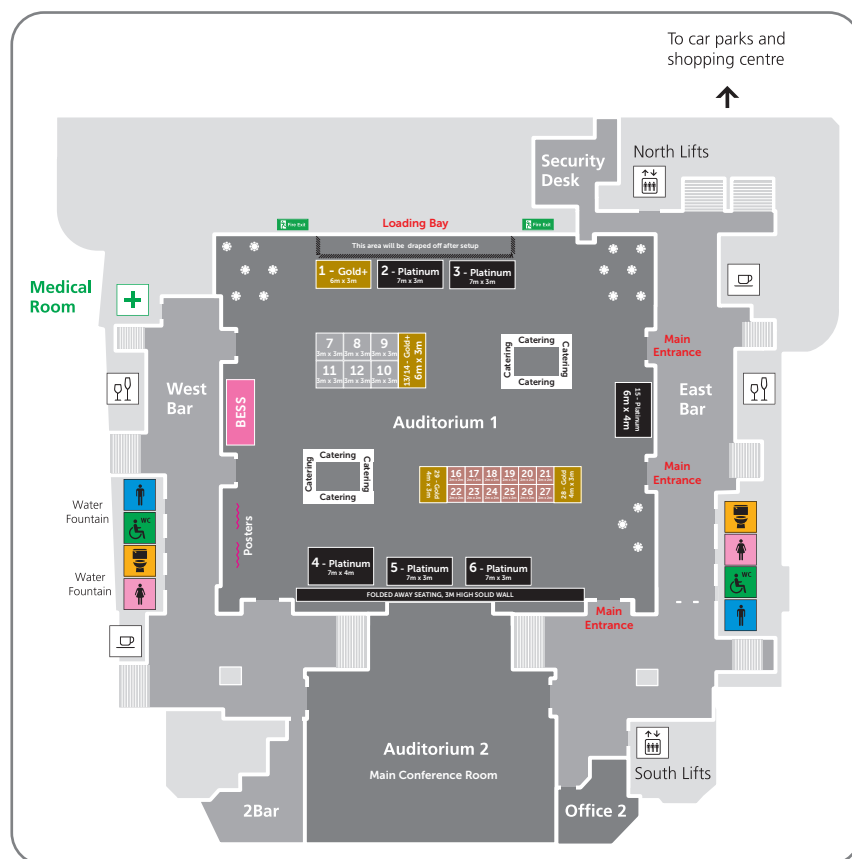

All packages include refreshments during the day.

Please do not publicise your stand number in pre-event marketing as they are subject to change.

Please note all exhibitors are subject to approval of the BESS Educational Committee who reserve the right to refuse.

This plan is subject to change by the organisers.

Catering will be located within the exhibition areas, to ensure maximum contact between exhibitors and delegates.

The Technical Manual will be sent to all exhibitors after booking, closer to the event. Any additional power requirements will be booked through a dedicated portal.

**Please note these timings are subject to change and will be updated closer to the event**

# Venue & Accommodation

The Brighton Centre  
Kings Road, Brighton and Hove, Brighton  
BN1 2GR

The conference and exhibition will take place at The Brighton Centre, the largest purpose built events venue on the South Coast. Located on the city's iconic seafront, the centre is easy to get to by public transport, being just a 10-15 minute walk from Brighton Station.

We are holding a number of hotel rooms at the Grand Hotel, Brighton which is the Event HQ. These can be booked via the portal.

# Brighton and Additional Industry Activities

## The Brighton Centre

It is the largest conference and exhibition centre of its kind in the south of England. Situated on Brighton seafront, the Brighton Centre was built between 1975 and 1976 and opened on September 19, 1977.

Gatwick Airport to Brighton by train is around 30 minutes  
Heathrow Airport to Brighton by train is around 2 hours

Driving to Brighton & Hove is simple with the A27 connecting the city to the East & the West and the M23 / A23 linking Brighton to the capital. We do however suggest travelling by train and parking is restricted in the city.

London St Pancras International - Direct train 1 hour 20 minutes  
London Victoria - Direct train 50 minutes  
London Bridge - Direct train 1 hour

Brighton Station is 0.5 miles from the venue, an approx 7-10 minute walk  
Exit the station on Queens Road and walk straight down past the Clock Tower, as far as you can without going into the sea! Turn right onto the King's Road and we are 1 minute along the seafront!

## Additional Industry Activities

We appreciate that many of you plan extra activities with the BESS delegates around the Conference. We encourage this engagement but would appreciate it if this could take place on Friday evening and/or Saturday morning for delegates to extend their stay. Alternatively, the Wednesday evening is also a free night for most delegates with the exception of those attending the Presidents Dinner.
