

Annual Conference 2023

Jesus College Cambridge

Congratulations on being selected for an **oral presentation** at this year's BPOS Annual Conference being held on Wednesday 22 - Thursday 23 March 2023 at Jesus College, Cambridge. Please take the time to look at the oral presentation guidance below.

Firstly, if you haven't already done so, don't forget to register for the event! If your colleague is presenting with you make sure they also register to attend the conference. You can register here:

www.delegate-reg.co.uk/bpos2023/registration

On your arrival at Jesus College, please collect your delegate badge. Conference staff will be able to tell you where you will be presenting, so that you can familiarise yourself with the room and check your presentation in advance of your session.

All rooms have a laptop, a projector and a screen or plasma TV Screen.

Quick tip: It is always helpful to introduce yourself to the session chair at the beginning of your session, stating how you wish to be introduced.

Each oral presentation is for a total of 15 minutes, (12 minutes for your talk, 3 minutes for questions). We know how difficult it is to keep to time, but the session chair will indicate when 12 minutes are up, marking the end of your presentation time.

Slide Size - PowerPoint presentations should use a **'Widescreen (16:9)'** format for optimal display at the event (go to Design tab then Slide Size. On the dropdown menu, select **'Widescreen (16:9)'**).

Please note, to ensure there is no delay between presentations you will not be able to use your own laptop for your presentation.

Please bring a copy of your presentation with you on the day on a USB device. Please also send a back-up copy of your presentation to bpos@kc-jones.co.uk by **17.00 Monday 20 March 2023**, we are unable to accept any back-up presentations after this time.

Quick tip: Please make sure you save your presentation in a file with your name as the title.

Film or video clips - Please also supply any film or video as separate files in .WMV, .MOV or .MP4 formats.

Copyrighted footage - If film clips that feature copyrighted footage (such as commercial TV productions/adverts, or feature commercial music) are to be used, then the appropriate permissions from the copyright holders should be provided to enable the clips to be played and prevent falling foul of the Performing Rights Society (PRS) and Mechanical Copyright Protection Society (MCPS).

You may also want to bring handouts with your details and a summary of your presentation to give to interested delegates after your talk. Unfortunately the organisers are unable to print anything for you.

Please note that all presentations will be shared, through a download link, after the event automatically. If you do not want your presentation to be shared in this way, please state this to the organisers when you send your presentation.

At the end of your session please make sure you take all your materials with you and leave the room ready for the next presenters.

We look forward to welcoming you in March and hearing more about your research!
