

**Annual Scientific Meeting and
Instructional Course, Newcastle**

**Industry
Brochure**

The BESS Annual Scientific Meeting is the premier upper limb forum in the UK and Eire.

The Glasshouse International Centre, formerly known as The Sage Gateshead, houses two main stages of acoustic excellence, a 26-room music education centre, a music information resource centre, four bars, a brasserie and a cafe. Located along a vibrant waterfront, with breathtaking views of the River Tyne. Conveniently located just a 20-minute walk from Newcastle Central Station.

Our local organising committee is looking forward to welcoming our industry friends to this exciting venue combining the vibrant energy and stunning riverside views of Newcastle Gateshead, a cityscape brimming with culture, innovation, and unforgettable experiences!

*Industry Workshop content

Support of an Industry Workshop will allow companies to present a scientific programme relevant to the main theme of the conference. This is subject to the programme being acceptable to the Educational Committee, who will be happy to advise on the structure. There needs to be a balance between education and marketing and a BESS representative will have involvement and responsibility for each Workshop.

Workshops will run during the main programme. A platinum package will entitle the company to have one workshop. Allocation will be made based on availability at the time of booking. Numbers will be limited per workshop to ensure they remain engaging and interactive.

Package includes

- Chairs (if required)
- Standard electricity
- Hire of Workshop room with your company branding (one day)
- Hire of audio visual equipment and technician

Please note all content of the Industry Workshop, adverts and push notifications are subject to approval of the BESS Council.

Exhibition Space

The images show the area where the exhibition stands will be positioned.

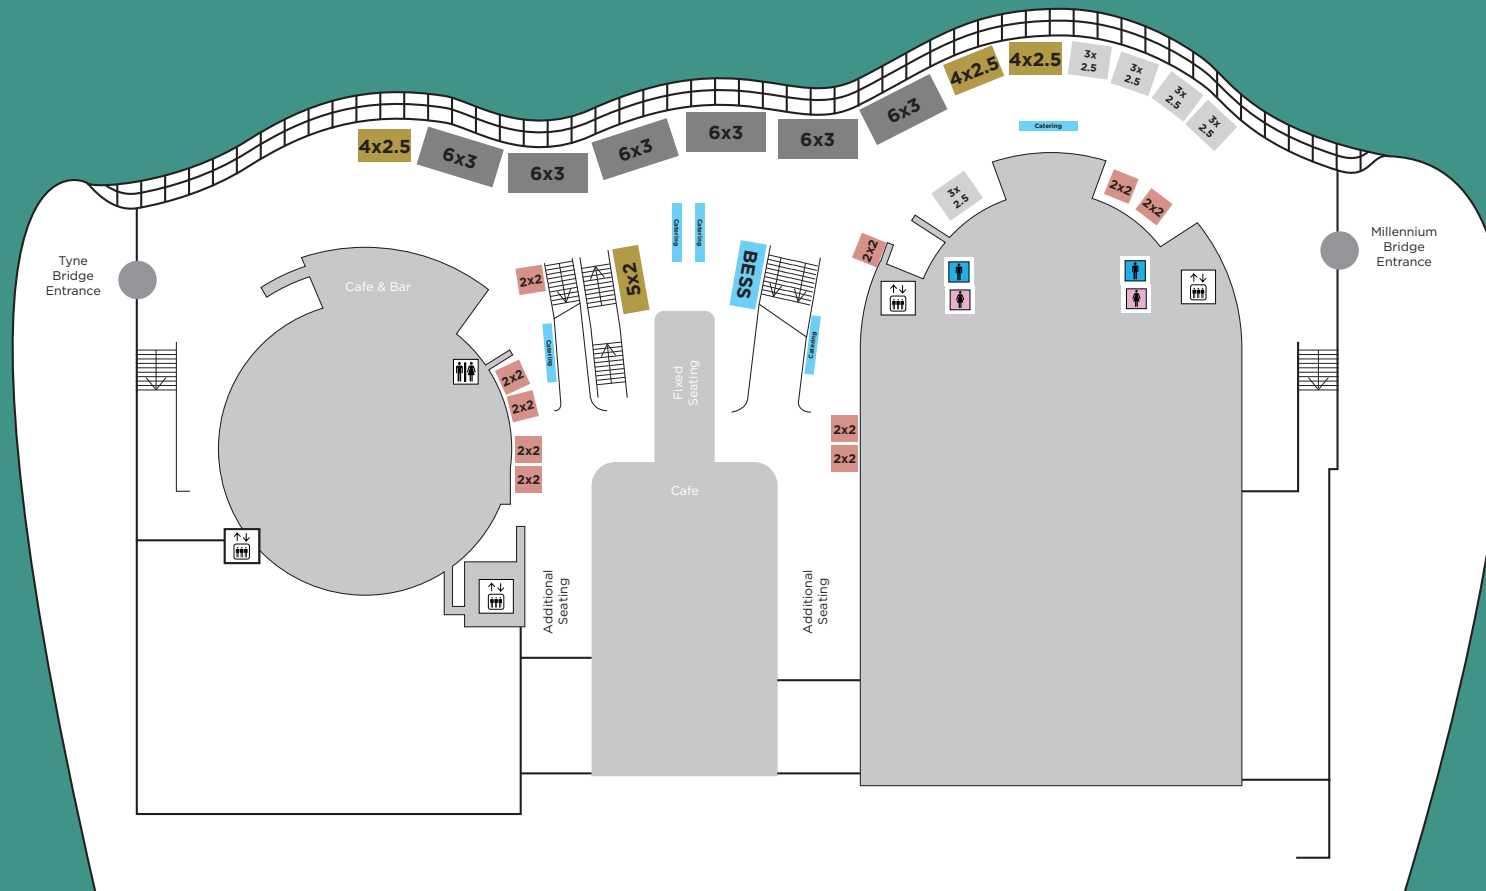

Please note:

For this year's conference, adjustments to the stand sizes were necessary due to the layout/shape of the exhibition space.

The ground floor of the Glass House is an open-plan space, designed with flexibility in mind to accommodate a wide range of exhibitions. Its unobstructed layout allows for versatile stand arrangements and creates a welcoming flow for attendees. To preserve this open, adaptable environment, shell schemes will not be offered.

Newcastle and Additional Industry Activities

The Glasshouse

Since opening in 2004, The Glasshouse has become a driving force for cultural and economic growth in the North East, inspiring millions through live music, education and community programmes.

Newcastle International to Newcastle by train is around 40 minutes

The best postcode to use is NE8 2BA, as that will bring you straight to the Glasshouse car park. For information on parking, including how much it costs, please [click here](#).

Newcastle Central - 20-minute walk away
Gateshead Metro Station - 10-minute walk away

Additional Industry Activities

We appreciate that many of you plan extra activities with the BESS delegates around the Conference. We encourage this engagement but would appreciate it if this could take place on Friday evening and/or Saturday morning for delegates to extend their stay. Alternatively, the Wednesday evening is also a free night for most delegates with the exception of those attending the Presidents Dinner.
