

British Society of Breast Radiology Annual Scientific Meeting 2023

Call for Submissions Abstracts

If you would like to make a submission to be considered for an oral or poster presentation, please visit our online submission portal via this [link](#). Ensuring you complete all fields, the instructions in the system will guide you through the process.

Abstract Categories:

BSBR invites abstracts for presentation in the following categories:

- Scientific
- Scientific Axilla
- Scientific Breast MR
- Scientific Breast US
- Scientific Mammography
- Scientific Screening
- Scientific High Risk Screening
- Scientific Procedures
- Scientific Symptomatic
- Scientific Staging/systemic Imaging
- Service improvement
- Research work in progress (preliminary results should be included)

Please note, case studies will not be considered.

The deadline for abstract submissions is Monday 7th August 2023 at 10am. No abstracts submitted after this deadline will be considered.

Presenter Formats:

Unless stated in your submission that you would like to be considered for an oral presentation, this would be processed as a poster submission.

Assessment process

We will operate a blind peer-review for all abstracts in which reviewers will judge abstracts on the quality of the content.

We expect to notify individuals of the outcome of the abstract decision process by **mid-September 2023**

All presenting authors must register and pay to attend the Conference. Acceptance of abstracts, oral and poster presentations, into the programme is dependent upon receipt of registration.

If you have any queries, please do not hesitate to get in via the event hotline on 01332 227773 or by emailing bsbr@kc-jones.co.uk.

Thank you for considering submission to the BSBR ASM!
