GENERAL INFORMATION

EAGE

The European Association of Geoscientists and Engineers (EAGE) is a global professional, non-profit association for geoscientists and engineers with 19.000 members worldwide. The objective is to collect and distribute technical knowledge. EAGE organizes events and publishes a monthly magazine for its members and 5 scientific journals. All members of EAGE are professionally involved in (or studying) geophysics, petroleum exploration, geology, reservoir engineering, mining and mineral exploration, civil engineering, tunneling and environmental matters. EAGE's head office is located in the Netherlands with regional offices in Dubai, Kuala Lumpur and Bogota.

ABOUT THE SYMPOSIUM

The First EAGE Atlantic Geoscience Resource Exploration & Development Symposium 2025 is a launch event that offers a unique platform to unite experts from across the globe to explore the various aspects of the Atlantic Conjugate Margins, including geological and economic perspectives. This symposium delves into the fascinating geological and economic phenomena of the Atlantic Conjugate Margins, spanning multiple continents. It offers a unique platform to examine geological complexities, resource opportunities, the latest technological advancements, and the integration of sustainability into resource exploration.

SPONSORING OPPORTUNITIES

With an array of unique promotional opportunities, we can help you design the perfect programme to enhance your company's experience at the First EAGE Atlantic Geoscience Resource Exploration & Development Symposium. The Main Sponsor Programme exposes attendees and businesses to your company and promotes your presence within the industry.

EAGE strives to realize recognition, long term exposure, benefits and publicity for companies that sponsor EAGE Symposiums.

N.B.: All sponsorship rates are in US Dollars.

Why become a sponsor

When you are a corporate sponsor you get high visibility in a qualitative and uncluttered environment that makes your message stand out. EAGE is synonymous with quality, with proven track records in the past. The workshop programme offers a diverse menu that will help you reach your target audience.

Sponsoring will enable you to:

- Enhance your company's presence at a regional, national and international level
- Enhance your corporate image pre-event, on-site and post-event
- Reach an influential and exclusive audience
- Break through the media clutter
- Associate your company with EAGE – World's truly multi-disciplinary geosciences society

Please note that sponsoring opportunities are not restricted to packages in this guide. We would be delighted to explore ideas to fit your budget.
