**EUROPEAN ASSOCIATION OF
GEOSCIENTISTS AND ENGINEERS**

GENERAL INFORMATION

EAGE

The European Association of Geoscientists and Engineers (EAGE) is a global professional, non-profit association for geoscientists and engineers with 19.000 members worldwide. The objective is to collect and distribute technical knowledge. EAGE organizes events and publishes a monthly magazine for its members and 5 scientific journals. All members of EAGE are professionally involved in (or studying) geophysics, petroleum exploration, geology, reservoir engineering, mining and mineral exploration, civil engineering, tunneling and environmental matters. EAGE's head office is located in the Netherlands with regional offices in Dubai, Kuala Lumpur and Bogota.

ALNAFT

The National Agency for the Valorization of Hydrocarbon Resources "ALNAFT" was created under the provisions of article 12 of the Algerian law n ° 05-07 of April 28, 2005 relating to hydrocarbons, modified and supplemented, The ALNAFT Agency is administered by a Management Committee made up of six (6) members including a president.

A secretary general is appointed for the ALNAFT agency to assist the Chairman of the Management Committee in the administration and operation of the Agency. The ALNAFT agency has a Supervisory Board, made up of five (5) members, chosen for their expertise in the technical, economic and legal areas in the field of hydrocarbons.

The supervisory board ensures the monitoring and control of the exercise of the missions of the ALNAFT agency. As such, it is responsible in particular for approving the strategy, plans, budget and report of the achievements of the ALNAFT Agency;

MISSIONS

SPONSORING OPPORTUNITIES

With an array of unique promotional opportunities, we can help you design the perfect programme to enhance your company's experience at the event. The Main Sponsor Programme exposes attendees and businesses to your company and promotes your presence within the industry.

EAGE strives to realize recognition, long term exposure, benefits and publicity for companies that sponsor EAGE workshops.

N.B.: All sponsorship rates are in US Dollars

WHY BECOME A SPONSOR

These sponsorship packages are designed to provide maximum exposure and engagement opportunities at our EAGE Middle East and Africa workshops. Partner with us to elevate your brand presence and connect with industry leaders.

Sponsoring will enable you to:

- Enhance your company's presence at a regional, national and international level
- Enhance your corporate image pre-event, on-site and post-event
- Reach an influential and exclusive audience
- Break through the media clutter
- Associate your company with EAGE – World's truly multi-disciplinary geosciences society

Please note that sponsoring opportunities are not restricted to packages in this guide. We would be delighted to explore ideas to fit your budget.

IMPORTANT NOTICE

Please note that sponsorship packages applies to one event only, and we kindly ask you to select which workshop you would like to support. You may choose to sponsor either the First EAGE/ALNAFT Workshop – Unlocking Hydrocarbon Potential of the West Mediterranean Offshore Frontier Basin of Algeria or the Second EAGE/ALNAFT Workshop on Techniques of Recovery of Mature Fields and Tight Reservoirs. We look forward to partnering with you in the event that best aligns with your objectives and audience.
