

### **⚠ Beware of Fraudulent Websites and Unauthorised Agencies**

Please be vigilant: unauthorised organisations might fraudulently claim to offer official services for the ENDO 2026 World Congress. These companies may use the ENDO or WEO name and branding without permission and are not affiliated with the Congress in any way.

The **only official provider of registration and accommodation services for ENDO 2026 is Eastern Sun Events, provider for ENDO 2026**. You should only rely on information available via the official Congress website – [www.worldendo2026.org](http://www.worldendo2026.org).

Be aware that you may receive emails, phone calls, or see online advertising from individuals or companies posing as travel agencies, wholesalers, or destination management firms using aggressive or misleading tactics. They may falsely claim to offer registration and accommodation for ENDO 2026.

These entities **do not represent ENDO 2026 or WEO** and are **not authorised** to act on our behalf.

If you are approached by anyone offering to assist with Congress registration or hotel bookings, **do not engage with them or process any payments**. The only legitimate way to register or reserve accommodation is through the links provided on the official ENDO 2026 website.

For any questions or to verify the legitimacy of a service provider, please contact us at: [congress@worldendo2026.org](mailto:congress@worldendo2026.org)
