

## **ASPiH Events Data Protection**

The below information details how your data will be used in relation to ASPiH 2022. When you book one of our events we collect personal information about you such as name, address, email, phone, credit card information any other information required.

Our [Privacy Policy](#) details how we use your data, please read this before continuing.

## **Delegates**

We may share information with third parties such as a limited delegate list with exhibitors and your finance department for invoicing. If required, we will also share your attendance signature with the relevant CPD authority.

## **Speakers**

Information such as your name, job title, organisation, photo and biography may be shared publicly on the website and social media, and, to delegates within the programme. Personal information as well as your presentation may also be shared with our AV company.

## **Where you provide us with personal information about someone else**

If you provide us with someone else's personal information by registering them as a delegate or include co-authors in your abstract, you should only do so if you have their authority or consent to do so. You should also take reasonable steps to inform them of the information set out in the Privacy Policies.

## **Conference app**

The Conference app has the facility to exchange contact details with fellow attendees, with your consent.

## **Photographs**

Photographs may be taken during the conference and shared on our website and social media. If you wish to be excluded from photographs please contact us prior to the event start date.

## **Communication**

We will communicate with you via email, phone or post which may include event and booking details.

## **Marketing**

Your details will not be passed onto anyone, however we may send you promotional emails on the lead up to ASPiH 2023 on behalf of the conference exhibitors or sponsors, which is part of their sponsorship package.
