# Welcome

Dear Exhibitor and Industry partner,

As BAUN President and on behalf of the BAUN Trustees we would love for you to join us for our BAUN Conference which will be in the lovely city of Edinburgh this year.

We had a fantastic event in Liverpool last year, and we hope to see you as a valued exhibitor or sponsor this year.

This year we celebrate 30 Years of BAUN. As you are aware, we were unable to celebrate our 25th anniversary in person due to COVID. Therefore, it is paramount that we celebrate 30 years in true Urological Nursing style this year! Our membership continues to grow (almost 1000 members), despite the challenges all urology nurses face, and as we celebrate 30 years, we anticipate attendance to be even better than ever.

BAUN's theme of Educate, Inspire, Innovate & Improve will provide a Conference programme that guarantees delegates take home a wealth of newfound knowledge and ideas. Furthermore, they will gain insight into improvements, technologies, and products. Our speakers' presentations are always engaging and stimulate lively discussions.

It is proving more and more challenging for nurses to have supported leave from their organisations to attend study days and conferences. However, it remains imperative that our members can come together with each other and yourselves to explore and learn about the future development of urological services and care. I cannot stress how important it is that you please encourage and help support your clients to attend conference. The feedback BAUN receive post conference, is testimony to how much your support and engagement makes all the difference to them. Please speak to your sales team and ensure all available funding opportunities are discussed to continue to support our members to attend. As President I am happy to publicise on all our social platforms, any funding opportunities you offer nurses, to ensure maximum uptake. Please feel free to contact me.

Our yearly conference attracts over 250 of the leading professionals working in the field of urological nursing, from the most senior lead and specialist nurses to our more junior colleagues. It is the most important event in the Urological Nurses calendar, and we want you to be part of it.

BAUNs Conference organising group are in full swing with the preparations and finalising the programme. I am extremely excited about the speakers we have signed up!. As you would expect from BAUN, we will include topical discussions, presentations and papers related to both benign and oncological conditions. With 30 years' experience we ensure it is relevant to ALL nurses and associated healthcare professionals working within the field of urological care. Full details will be available soon.

Why not also join us at our Gala Awards Dinner to relax and unwind along with the nation's best urological nursing talent. Our corporate sponsors and charity partners are welcome to book tickets to join the fun and celebrate all that our members have achieved. I can guarantee you will not be disappointed with this year's venue!

Your contribution and engagement enables continued collaboration to provide high quality education and training to our delegates.

I would like to take this opportunity to thank you for your ongoing support of our organisation, our nurses, and their patients. By working with us, we can continue to provide the important and valued opportunities that BAUN offers our members along with delivering high standard care to our patients.

Thank you for your loyalty and we look forward to welcoming you in Edinburgh.
