

TUESDAY 2 DECEMBER 2025			
08:00	DELEGATE REGISTRATION WITH COFFEE AND EXHIBITION VIEWING		
08:45	SOLENT HALL		
	Welcome to conference Fiona McGill, FIS International 2025 Programme Lead		
09:05 – 10:35	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE
	Bone and joint infection – An update BAJIS Chair: Harriet Hughes	Revenge of the MAC Welsh Microbiology Association Chair: Bazga Ali	Addressing challenges in infections in critical care Healthcare Infection Association/ British Infection Association Chairs: Jasmin Islam and Rajeka Lazarus
	09:05 – 09:35 Fracture related infection - An orthopaedic perspective Bilal Jamal	09:05 – 09:35 Extrapulmonary NTM infections Matthijs Backx, Consultant Infectious Diseases and Microbiology, Public Health Wales, UK	09:05 – 09:35 Antimicrobial stewardship in critical care Andrew Conway Morris, Associate Professor of Anaesthesia / MRC Clinician Scientist, University of Cambridge, UK
	09:35 – 10:05 An ID perspective Neil Ritchie	09:35 – 10:05 NTM - clinical cases Joshua Hrycaiczuk, SPR Infectious Diseases & Microbiology Public Health Wales, UK	09:35 – 10:05 Challenges preventing HAIs and MAR in paediatric critical care Beatriz Larrau Martinez, Director of Infection Prevention and Control, Alder Hey’s Children’s NHS Foundation Trust, UK
	10:05 – 10:35 Antibiotic duration in PJI Maria Dudareva	10:05 – 10:35 Presentation title to be confirmed Aysha Jameel, Infectious Diseases & Microbiology Registrar, Public Health Wales, UK	10:05 – 10:35 National surveillance for infections in critical care Jasmin Islam, UKHSA, UK
10:35	EXHIBITION VIEWING AND REFRESHMENTS		
11:15	SOLENT HALL		
	BIA Barnet Christie Lecture Chair : Anna Goodman		
12:15	EXHIBITION VIEWING AND LUNCH	<div>12:30 - 13:30 Lunchtime workshop – HCID (BOURNE LOUNGE)</div> <div>Facilitator: Marie-Claire Hoyle</div> <div></div> <div>Jake Dunning Mike Beadsworth, Consultant in Tropical Medicine and Infectious Diseases, Royal Liverpool University Hospital, UK</div> <div>HCID in children and pregnant women Elizabeth Whittaker, Paediatric Infectious Diseases and Immunology, West London Children's Healthcare, Imperial College London, NHSE, UK</div>	

		12:30 – 13:30 Sponsored company symposium supported by Pfizer (BAYVIEW SUITE)	
13:30 – 14:30	SOLENT HALL		
	HIS Lowbury Lecture Joost Hopman, Clinical Microbiologist & Medical Director, Radboud University Medical Center, Netherlands		
14:30	EXHIBITION VIEWING AND REFRESHMENTS		
15:00-16:30	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE
	What’s new in healthcare associated infections UKHSA Chair: To be confirmed	Hot topics in HIV BHIVA Chair: Tristan Barber	Innovating infection training and practice: Shaping a unified future for practice Healthcare Infection Society Chair: To be confirmed
	Speakers to be confirmed	15:00 – 15:20 What’s new on the horizon - novel approaches to HIV treatment Sarah Fidler, Imperial College London, UK 15:20 – 15:40 Moving towards zero - strategies for ending new HIV transmissions in the UK Dan Clutterbuck, Chalmers Centre, Edinburgh, UK 15:40 – 16:00 Multimorbidity - the challenges faced by an aging population with HIV Caroline Sabin, Professor of Medical Statistics and Epidemiology, University College London, UK 16:00 – 16:30 Panel discussion	15:00 – 15:30 Presentation title to be confirmed Harriet Hughes, Consultant in Microbiology and Infectious Diseases Public Health Wales, University Hospital of Wales in Cardiff and Anne Tunbridge, Sheffield Teaching Hospitals NHS Foundation Trust, UK 15:30 – 16:00 Rebuilding resilience: Transforming infection services for tomorrow Katie Jeffery. Consultant in Clinical Infection Director of Infection Prevention and Control, Oxford University Hospital, UK 16:00 – 16:30 Integrating laboratory training for the new curriculum: The infection bootcamp in Scotland Surabhi Taori, Consultant microbiologist, NHS Lothian, Training Programme Director for Combined Infection Training, Scotland, UK
	FLASH POSTER TALKS AND POSTER VIEWING (EXHIBITION HALL) All talks are 3 minutes (plus 1 minute for questions) 65 - Enteric fever with bacteraemia: review of local management and OPAT utilization Dr Stephen Hughes, Consultant Antimicrobial Pharmacist, Chelsea And Westminster Hospitals NHS Foundation Trust 104 - Opt-out emergency department	Antimicrobial Stewardship and Accreditation (PURBECK LOUNGE) BSAC 16:30 – 16:40 Accreditation of antimicrobial stewardship: The origin of GAMSAS David Jenkins, Consultant Medical Microbiologist, University Hospitals of Leicester NHS Trust, UK 16:40 – 16:55 GAMSAS: the story so far and evidence of	16:30 – 17:15 Sponsored company symposium (BAYVIEW SUITE)

	<p>screening for blood-borne viruses and syphilis in an area of lower HIV prevalence: a case for reviewing the screening programme? Dr Sam Hey, ST4 Infectious Diseases, South Tees Hospitals NHS FT</p> <p>105 - A 20-Year Review of 16S PCR on the management of patients with pyogenic central nervous system (CNS) infections Kerry Falconer, Clinical Scientist, NHS Lothian</p> <p>106 - Learning Points from a case of very severe tetanus in the UK Farah Shahi, ST6 Infectious Diseases/Microbiology, Sheffield Teaching Hospitals</p> <p>161 - Disseminated cutaneous blastomycosis acquired in Mexico: A case report Peter Rae, Fy2, Royal Free London Hospital Trust</p> <p>164 – High ward-level and within-sample diversity of Klebsiella pneumoniae on a Malawian neonatal unit revealed by single colony whole genome sequencing and post-enrichment metagenomics</p> <p>167 - “It's all about the diagnosis - that was getting really very late and I was scared” - qualitative exploration of contributors and impact of diagnostic delay in active tuberculosis (TB) from the perspective of patients and healthcare providers Natalia Grolmusova, Clinical Research Fellow, University of Leicester</p> <p>182 - Effectiveness of the live attenuated (LAIV) and inactivated (IIV) influenza vaccines in children: a meta-analysis of interim data (based on cases through February 2025) from the 2024-25 influenza season Wilhelmine Meeraus, Director, Epidemiology, AstraZeneca</p> <p>250 - Going fungal: a medical mycology podcast series aimed at UK clinicians</p>	<p>impact Ryan Hamilton, GAMSAS Programmes Lead, British Society for Antimicrobial Chemotherapy</p> <p>16:55 – 17:15 The other side: stories from accredited centres Suzy Fitzgerald, Consultant Microbiologist, St. Vincent's University Hospital, Dublin, Ireland</p> <p>17:15 to 17:30 Question and answer</p>	
17:30 – 19:00	<p>LOWBURY RECEPTION (EXHIBITION) AND POSTER VIEWING Including drinks and canapes</p>		
19:00	<p>DAY ONE CLOSE</p>		

WEDNESDAY 3 DECEMBER 2025					DAY WO
07:45	DELEGATE REGISTRATION WITH COFFEE AND EXHIBITION VIEWING				
08:30	SOLENT HALL				
	<div>Water hygiene</div> <div>Healthcare Infection Society</div> <div></div>				
09:15	SOLENT HALL				
	<div>HIS Early Career Award</div> <div>Jon Otter, Director of Infection Prevention and Control, Guy’s and St. Thomas’ NHS Foundation Trust, UK</div>				
10:15	EXHIBITION VIEWING AND REFRESHMENTS				
10:45	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE	
	<div>The National Infection Teams Collaborative for Audit and Research</div> <div>Chair: To be confirmed</div>	<div>IPC in the real world</div> <div>Infection Prevention Society</div> <div>Chair: Jude Robinson</div>	<div>Tropic like it’s hot: Climate change and the shifting landscape of infectious diseases</div> <div>Microbiology Society / NaTHNaC</div> <div>Chair: Ashley Otter</div>	<div>Controversies in infectious disease management</div> <div>British Infection Association</div> <div>Chair: Amani Alnimr</div>	
	<div>CRE-DITS</div> <div>Ioannis Baltas, Infectious Diseases and Medical Microbiology, NIHR Academic Clinical Fellow, University College London, UK</div> <div>SinkBug: A survey of UK hospital sink infrastructure and associations with pathogen and AMR burden in these reservoirs</div> <div>Nicole Stoesser, Associate Professor in Infectious Diseases/Consultant in Infection, University of Oxford, UK</div>	<div>10:45 – 11:15</div> <div>Top 10 papers in infection prevention & control</div> <div>Martin Kiernan, Visiting Professor, Infection Prevention, Richard Wells Research Centre, University of West London</div> <div>11:15 – 11:45</div> <div>The optimal IPC team</div> <div>Jules Storr, CEO and co-founder of S3 Global Healthcare</div> <div>11:45 – 12:15</div> <div>Addressing health inequality in IPC</div> <div>Kerry Holden, IPS Vice President & Deputy Director, IPC Gloucestershire Hospitals NHS Foundation Trust, UK</div>	<div>Speakers to be confirmed</div>	<div></div> <div>Therapeutic Drug Monitoring for Beta-Lactams - Expert debate session with live audience polling</div> <div>Debate: Case *For* routine Beta-Lactam TDM</div> <div>Tim Felton, Consultant, Respiratory & Critical Care Medicine at Manchester University NHS Foundation Trust</div> <div>Debate: Case *Against* routine Beta-Lactam TDM</div> <div>Anouk E Muller, Physician-Microbiologist, Erasmus MC University Medical Center Rotterdam, The Netherlands</div>	

12:15	EXHIBITION VIEWING AND LUNCH			 <p>12:30 – 13:30 (BOURNE LOUNGE) Your role as a new consultant Healthcare Infection Society</p> <p>Nabeela Mughal, Infectious Diseases Physician and Clinical Microbiologist, Chelsea and Westminster Hospital NHS Foundation Trust</p>
				<p>12:30 – 13:30 Spotlight on Industry</p> <p>InfectoPharm (UK) Ltd Iskus Health UK bioMerieux UK iFAST</p>
13:45 – 15:15	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE
	<p>OPAT – what’s new British Society for Antimicrobial Chemotherapy</p> <p>Chair: Sally Tipping</p>	<p>Addressing inequalities in AMR British Infection Association</p> <p>Chair: Kavita Sethi</p>	<p>National Roll-out of BBV opt-out screening in the ED Association for Laboratory Medicine</p> <p>Chair: Lisa Berry</p>	<p>Decontamination from bench to bedside: Real or perceived risk? Healthcare Infection Society</p> <p>Chair: To be confirmed</p>
	<p>13:45 – 14:15 Antimicrobial Stewardship and OPAT Andrew Seaton, NHS Greater Glasgow & Clyde, UK</p> <p>14:15 – 14:45 Drug Stability & OPAT - Where are we at & What is next? Mark Gilchrist, Imperial College Healthcare NHS Trust, UK</p> <p>14:45 – 15:15 OPAT good practice recommendations Ann Noble, Consultant in Infectious Diseases, NHS Lanarkshire, UK</p>	<p>13:45 – 14:15 Understanding gender inequities in antimicrobial resistance Deepshikha Batheja, Research Fellow, One Health Trust, UK</p> <p>14:15 – 14:45 Strategies to ensure AMR solutions are accessible, equitable, and inclusive Diane Ashiru-Oredope, Lead Pharmacist - AMR, UK Health Security Agency, UK</p> <p>14:45 – 15:15 The challenges and opportunities in paediatric antimicrobial stewardship: Where to from here? Alicia Demirjian, Clinical Lead, UK Health Security Agency, UK</p>	<p>13:45 – 14:15 BBV opt-out screening public health policy and pilot trial data Rachel Hill-Tout, UKHSA clinical lead for BBV opt-out roll-out, UK</p> <p>14:15 – 14:45 Laboratory perspectives on the BBV opt-out screening programme Callum Goolden, Clinical Scientist, Department of Virology, Manchester Medical Microbiology Partnership, UK</p> <p>14:45 – 15:15 Clinical perspectives on the BBV opt-out screening programme Steve Taylor, Birmingham Heartlands HIV Service, UK</p>	<p>Speakers to be confirmed</p>
15:15	EXHIBITION VIEWING AND REFRESHMENTS			
15: 45	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE
	<p>National outbreak response - dispatches from UKHSA's emerging and epidemic infections directorate</p>	<p>Innovation and industry engagement in diagnostic labs</p>	<p>Improving practice in clinical mycology - diagnostics, therapeutics and guidelines</p>	<p>Infections in marginalised groups</p>

	UKHSA	Association for Laboratory Medicine	BSMM/Microbiology Society	British Infection Association
	Chair: Colin Brown	Chair: Naomi Gadsby	Chair: Malcolm Richardson	Chair: Patrick Lillie
	<p>15:45 – 16:15 Summer, Salads and STEC Gauri Godbole, Head of the Gastrointestinal Infections, Food Safety & One Health Division, UKHSA, UK</p> <p>16:15 – 16:45 C. auris - responding to the threat of healthcare endemicity in the UK James Elston, Head of Incidents, Outbreaks and Infection Guidance within the Antimicrobial Resistance & Healthcare Associated Infections Division; and Andy Borman, Acting Head, UKHSA National Mycology Reference Laboratory, UKHSA, UK</p> <p>16:45 – 17:15 Increases in global viral haemorrhagic fever outbreaks - what it means for the UK Sherine Thomas, Consultant in Emerging Infections and Zoonoses within the Tuberculosis, Acute Respiratory, Zoonotic, Emerging and Travel Division, UKHSA, UK</p>	<p>15:45 – 16:15 Pathways for engagement between laboratory and industry Magda Karlikowska, CEO Cytecom Ltd</p> <p>16:15 – 16:45 Case study: industry and diagnostic lab partnership for developing new diagnostics, including novel AST Stephen P Kidd, Principal Clinical Scientist in Microbiology and PI of the Molecular Diagnostics Hub, Hampshire Hospitals NHS Foundation Trust, UK</p> <p>16:45 – 17:15 Speaker to be confirmed</p>	<p>15:45 – 16:15 What can I do to improve my local diagnostic capacities in mycology Alyssa Hudson, Consultant Medical Microbiology, Torbay and South Devon NHS Foundation Trust, UK</p> <p>16:15 – 16:45 Advancing Therapeutics through R&D in Medical Mycology Elaine Bignell, MRC Centre for medical mycology at University of Exeter, UK</p> <p>16:45 – 17:15 How will the new 2025 invasive candidiasis guideline change my practice? Riina Rautemaa-Richardson, Senior Clinical Lecturer in Infectious Diseases and Medical Education, and Honorary Consultant Medical Mycologist, University of Manchester, and Manchester University NHS Foundation Trust, UK</p>	<p>15:45 – 16:15 Infections in the trans and non-binary community Tara Suckak, Consultant in HIV / Sexual Health and Gender, Chelsea and Westminster Hospital NHS Foundation Trust, UK</p> <p>16:15 – 16:45 Presentation title to be confirmed Binta Sultan, Senior Clinical Research Fellow in Inclusion Health and Honorary Consultant in Inclusion Health, University College London, UK</p> <p>16:45 – 17:15 Presentation title to be confirmed Claire Mackintosh, Consultant Physician at NHS Lothian, UK</p>
17:15 – 18:15	<p>FLASH POSTER TALKS AND POSTER VIEWING (EXHIBITION HALL) <i>All talks are 3 minutes (plus 1 minute for questions)</i></p> <p>151 - A rare case of disseminated miliary tuberculosis involving an infra-thyroid abscess in a pregnant patient Dr Shakira Cosier, Doctor, NHS</p> <p>190 - Device-Associated Infections in Belgian Acute Care Hospitals: Findings from the 2022 National Point Prevalence Survey Morgan Pearcy, Scientist, Sciensano</p> <p>201 - Far from Home: A Mediterranean Worm's UK Appearance</p> <p>212 - Management of Community-Acquired Brain Abscess in the UK Dr Carmen Perea, Foundation Year 2 Doctor, Barnet Hospital</p> <p>226 - SARS-CoV-2 Antibody Immunity Across Three Continents: the West Africa, West Indies, West London Consortium Oliver Hague, Clinical Research Fellow, The Francis Crick Institute</p> <p>234 - Acquired fluconazole resistant Candida parapsilosis endocarditis Ashleigh Hogan, Locum Doctor, NHS Grampian</p> <p>244 - Spiroplasma Ixodetis: An emerging tick-borne infection. Human health implications and research priorities, following</p>		COMPANY SYMPOSIUM (BAYVIEW SUITE)	

	<p>detection from ticks in the United Kingdom</p> <p>246 - Faecal lactoferrin as a biomarker for Clostridioides difficile infection and severity Sinead Kilgarriff, Microbiology SpR, Clinical Microbiology, St James's Hospital</p> <p>251 - A diagnosis in disguise and potential catastrophic implications: Amoebic colitis masquerading as Crohn's disease Maheen Anwar, Registrar, London Northwest Healthcare Nhs Trust</p>		
19:30 – midnight	Social evening at ARUBA		

THURSDAY 4 DECEMBER				
08:15	DELEGATE REGISTRATION WITH COFFEE AND EXHIBITION VIEWING			
09:00	SOLENT HALL			
	Chair: Anna Goodman			
10:00	JD Williams Lecture			
	35 years of tropical microbiology Christopher Parry, Visting Professor of Tropical Medicine, Centre for Tropical Medicine and Global Health, Nuffield Department of Medicine, University of Oxford			
10:00	EXHIBITION VIEWING AND REFRESHMENTS			
10:30 – 12:00	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE
	The imported fever service case book British Infection Association / UKHSA Chair: Tom Samuels	Addressing winter pressures in the NHS Healthcare Infection Society / UKHSA Chairs: Jasmin Islam and Pat Cattini	Vaccines: from development to deployment UKCVN and Microbiology Society Chairs: Maheshi Ramasamy and Joey Shepherd	Paediatric grand round BPAIIG Chair: To be confirmed
	 Panelists: Christina Petridou, Claire Gordon, Tommy Rampling 10:30 – 11:00 From Asia to the ICU Rebecca Houghton, ID & Microbiology Consultant, Hampshire Hospitals NHS Foundation Trust, UK 11:00 – 11:30 An uncultured intruder Ameeka Thompson, Specialist Registrar in Infectious Diseases and Medical Microbiology, North Bristol NHS Trust, UK 11:30 – 12:00 Fetal medicine meets Global Health: A case of fetal brain anomalies with infectious clues Lynne Warrander, Subspeciality Trainee in Maternal & Fetal Medicine, St Mary's Hospital, Manchester University NHS Foundation Trust, UK	10:30 – 11:00 The role of surveillance in mitigating winter pressures in the NHS and social care Victoria Hall, Consultant Epidemiologist, UK Health Security Agency, AMR & Healthcare Associated Infections Division, UK 11:00 – 11:30 Using models to understand transmission and evaluate interventions under winter pressures Julie Robotham, Head of Modelling and Evaluations, HCAI & AMR, UKHSA, UK 11:30 – 12:00 Hospital ventilation: a much overlooked intervention that needs to be taken seriously Clive Beggs, Emeritus Professor of Applied Physiology, Carnegie School of Sport, Leeds Beckett University, UK	10:30 – 11:00 Measles vaccination in immunocompromised patients Alex Richter, Director of the Clinical Immunology Services, Professor and Honorary Consultant in Clinical Immunology, University of Birmingham, UK 11:00 – 11:30 Gonococcal vaccine development Susanne Hodgson, Clinician Scientist, Consultant Physician & Infection Specialist , Oxford University Hospitals NHS Foundation Trust, UK 11:30 – 12:00 Paediatric vaccination in secondary care Kate O Hagan, Advanced Paediatric Nurse Practitioner, Alderhay Childrens Hospital, UK	 This interactive session will include case presentations by trainees and a panel discussion by experts in the field of paediatric infection. Case presenters: Rishi Raj Banerjee Specialty registrar in Infectious Diseases and Medical Microbiology, Royal Free London Group, UK Erva Nur Cinar Paediatric Trainee and Clinical Research Fellow, Evelina London Children's Hospital, UK A dangerous game of tag: difficult decisions around colonisation George Lawson Paediatric Registrar, UKHSA, UK

DAY THREE

12:00	EXHIBITION VIEWING AND LUNCH				 <p>12.10 – 13:00: Trainee exam preparation and networking workshop (BOURNE LOUNGE) Healthcare Infection Society</p>
13:00 – 14:15	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE	<p>12.10 – 13:00: Trainee exam preparation and networking workshop (BOURNE LOUNGE) Healthcare Infection Society</p>
	FREE PAPERS 1	FREEW PAPERS 2	FREE PAPERS 3	Infectious Disease Futures Microbiology Society	
	<p><i>All presentations are 8 minutes (plus 3 minutes for questions)</i></p> <p>116 - Development of a Quantitative Lateral Flow Assay for Vancomycin Therapeutic Drug Monitoring Halima Hasan, Student, Imperial College London</p> <p>128 – A country's battle with carbapenem-resistant Klebsiella pneumoniae: insights into epidemiology and novel treatment options from Greek ICUs Louis Grandjean, Infection, Immunity & Inflammation Department, UCL Institute of Child Health</p> <p>150 - A Silent Threat: Understanding ESBL-KP Risk Factors in the Neonatal ICU Areej Alali, Doctor, Infection Control Directorate</p> <p>238 - A national audit of antimicrobial prescribing in Critical Care Units in the United Kingdom Oliver Hamilton, Clinical Research Fellow, Liverpool School Of Tropical Medicine</p> <p>240 - Penicillin Allergy Management in the NHS: A Novel Trust-Wide Implementation of R1 Independent Side-Chain Beta-lactam Prescribing to Enhance Antimicrobial Stewardship and Patient Outcomes Stephen Hughes, Consultant Antimicrobial Pharmacist, Chelsea & Westminster NHS</p>	<p><i>All presentations are 8 minutes (plus 3 minutes for questions)</i></p> <p>153 - Routine eye screening in candidaemia: current UK landscape and future directions Rachel Southern-Thomas, Resident Doctor, University College Hospitals London</p> <p>168 - Safety and potent functional immunogenicity of a novel blood-stage P. falciparum malaria vaccine, R78C and RH5.1 with Matrix-M®, in UK adults in a Phase I trial Jo Salkeld, Phd Student, University Of Oxford</p> <p>170 - Sarcopenia is a Common and Overlooked Comorbidity in Pulmonary Tuberculosis Angus De Wilton, Research Fellow, University Of Bristol</p> <p>173 - Post-TB care in the UK: cross-sectional analysis from a national survey Ailva O'Reilly, Clinical Research Fellow, University Of Leicester</p> <p>216 - JN.1 Exposure as Vaccine or Infection During Autumn and Winter 2024 Induces Broad Neutralisation of Circulating SARS-CoV-2 Variants: KP 2.3, KP 3.1.1 and XEC Oliver Hague, Clinical Research Fellow, The Francis Crick Institute</p> <p>225 - Primary CMV Infection in a Uterine Transplant Patient: Characterisation of the</p>	<p><i>All presentations are 8 minutes (plus 3 minutes for questions)</i></p> <p>40 - Pandemic-Associated Dysmicrobiosis: A Hidden Variable in Pediatric Vulnerability and Future Pandemic Preparedness Dr Liu Bingjie, Children's Hospital Of Soochow University</p> <p>96 - From big data to prediction: Applying machine learning for source attribution in a One Health approach, a case study on L. monocytogenes Isis Lorenzo, Phd Student, Anses</p> <p>187 - Characterisation of Bloodstream Infections in a Large, Tertiary NICU in London: A Five-Year Retrospective Analysis Joana Freitas, Paediatric Registrar, Royal London Hospital, Barts Health NHS trust</p> <p>195 - Increasing importance of the Streptococcus anginosus group as a cause of serious streptococcal infection in the UK: a retrospective longitudinal observational study Dr Eliza Gil, Clinical Lecturer, LSHTM & GOSH</p> <p>258 - Amikacin and gentamicin resistance in neonatal and infant Enterobacterales bacteraemia: implications for empiric treatment in England (2017 to 2024) Benjamin Simmons, Scientist (epidemiologist), UKHSA</p>	<p>12:45 – 14:15 <i>All presentations are 8 minutes (plus 2 minutes for questions)</i></p> <p>94 - Understanding the interaction between Streptococcus pneumoniae and respiratory syncytial virus in a novel controlled human infection model. Sanjita Brito-Mutunayagam, Clinical Research Fellow, Oxford Vaccine Group, University Of Oxford</p> <p>108 - Nanopore in the Desert: Genomic Surveillance of Dengue Virus in Oman Asma Al Balushi, Consultant, Infectious Diseases, Sultan Qaboos University Hospital, University Medical City</p> <p>115 - Clindamycin resistance in group A Streptococcus in a tertiary Irish hospital. Annemarie Lanigan, Microbiology Specialist Registrar, St James's Hospital Dublin</p> <p>118 - Investigating Neutrophil Dynamics in Candida auris Biofilm Development Basmah Almaarik, Assistant Professor, King Saud University</p> <p>193 - A multi-centre prospective study to</p>	

	<p>267 - A Capability Framework for Antimicrobial Stewardship Specialists in the NHS Ryan A Hamilton, GAMSAS Programmes Lead, British Society For Antimicrobial Chemotherapy</p>	<p>Immune Response to Guide Pregnancy Timing Katie Jeffery, Consultant In Clinical Infection / Dipc, Oxford University Hospitals</p>		<p>evaluate the infectious complications in patients presenting to Irish hospitals after undergoing cosmetic procedures abroad, over a twelve month period Siobhain Kelly, Clinical Microbiology Spr, Connolly Hospital</p> <p>223 - Oropouche Virus Reaches the UK: A Diagnostic Wake-Up Call for an Emerging Arbovirus Wubbo de Boer, ST1 Infectious Diseases and Tropical Medicine, Hospital for Tropical Diseases, University College London Hospitals NHS Foundation Trust</p> <p>A natural product cocktail derived from an “ancientbiotic” with enhanced activity against Staphylococcus aureus and Pseudomonas aeruginosa biofilms Oluwatosin Orababa</p> <p>Adaptation of Campylobacter to Sodium Chloride Alters Phenotypes Associated with Human Disease Elizabeth O’Gorman</p> <p>Studying Multi-Scale Infections using Cross-Scale Imaging Liam Rooney</p>
14:15	COMFORT BREAK			
14:25 15:55	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE
	<p>Artificial intelligence in clinical microbiology Healthcare Infection Association / Association for Laboratory Medicine Chair: Naomi Gadsby</p>	<p>Measles anywhere is a threat everywhere: lessons from cases and outbreaks in paediatrics BIA / HIS Chairs: Kavita Sethi and Nabeela Mughal</p>	<p>Implementing next generation sequencing: Possibilities & challenges British Infection Association / Association for Laboratory Medicine / MHRA SoGAT Chair: Kate Templeton</p>	<p>Post/para infectious neurological manifestations British Infection Association Chair: Samuel Moses</p>

	<p>14:25 – 14:55 From clinical routine data to early sepsis detection: Insights from the Swiss personalised sepsis study Catherine Jutzeler, Professor of Biomedical Data Science ETH Zurich, Switzerland</p> <p>14:55 – 15:25 Use of machine learning to predict AMR in gram negative bloodstream infections David Eyre, Professor of Infectious Diseases, University of Oxford, UK</p> <p>15:25 – 15:55 Using artificial intelligence in surgical site infection surveillance Melissa Rochon, SSI Lead for Surveillance, Research and Innovation, Surveillance and Innovation Unit, Directorate of Infection, Guy's and St Thomas' NHS Foundation Trust, UK</p>	<p>14:25 – 14:55 A case of severe measles in late pregnancy: Perinatal management and infection control considerations Andrew Owusu-Agyei, Leeds Teaching Hospitals NHS Trust, UK</p> <p>14:55 – 15:25 Acute trust measles response-lessons learnt Hester York, Consultant in Paediatric Emergency Medicine, Chelsea and Westminster Hospital, UK</p> <p>15:25 – 15:55 UKHSA measles community and acute response Nalini Iyanger, UKHSA, UK</p>	<p>14:25 – 14:55 Targeted next generation sequencing for diagnosis of infection and detection of AMR Ian Butler, Lead Clinical Scientist/HSST Barts Health NHS Trust, UK</p> <p>14:55 – 15:25 Advances in diagnostic approaches for diagnosis of viral infections in the UK and Uganda Emma Thomson, University of Glasgow, UK</p> <p>15:25 – 15:55 Role of SoGAT in accreditation and standardisation of High Throughput (NGS) sequencing: tales from reference materials Jacqueline Fryer, MHRA</p>	<p>14:25 – 14:55 LETM (longitudinally extensive transverse myelitis) following adenoviral infection Ana Karen Campos Hernandez, East Kent Hospitals University NHS Foundation Trust, UK</p> <p>14:55 – 15:25 Acute cerebellitis following primary EBV infection Silas Danielraj Joshua Muthuchand, Medical Registrar, Tunbridge Wells Hospitals, UK</p> <p>15:25 – 15:55 Post/para infectious neurological manifestations: A topic update Samuel Moses, East Kent Hospitals University NHS Foundation Trust, UK</p>
16:00	SOLENT HALL			
	CLOSING CEREMONY			
	David Partridge, FIS International 2025 Conference Chair			
16:10	CLOSE OF CONFERENCE
