30 APRIL - 1 MAY 2026**

Welcome

The Scottish Intensive Care Society is a charity registered in Scotland with the purpose of improving Critical Care across Scotland. The Society acts as the voice of the Critical Care multi-disciplinary team, and our meetings provide a unique opportunity to connect with each other.

Our Annual Scientific Meeting is being held once again in the beautiful Crieff Hydro on Thursday 30th April and Friday 1st May 2026.

We would welcome the opportunity to host you as an exhibitor at the meeting and recognise the immense support your Company provides to critical care teams across Scotland.

Our programme offers delegates a fantastic clinical line up of speakers covering clinical and research updates, moral and ethical dilemmas, hands on practical sessions and an MDT specific parallel programme. After some rather challenging years we are perhaps more importantly offering the opportunity to reconnect with each other.

We will be hosting the social event of the Scottish Critical Care Year with a magnificent dinner and ceilidh.

Our delegates will include:

- **Critical care consultants**
- **All grades of medical trainees**
- **Physiotherapists**
- **Speech and language therapists**
- **Medical Students**

- **Critical care nurses**
- **Advanced critical care practitioners**
- **Pharmacists**
- **Occupational therapists**

Yours sincerely
