Programme may be subject to change;

As part of the ASPiH X-Perience, we're pleased to offer an online pre-conference workshop led by the Debriefing Academy, taking place on Tuesday 4 November.

**Digging Beneath the Surface - Optimizing Circular Questions and Advocacy Inquiry in Healthcare Simulation Debriefing.**

## ASPiH 2025 - Simulation for Impact: Culture, co-production, and creativity

Fully packed programme with internationally renowned speakers, innovative sessions, networking opportunities, workshops and one of the largest simulation exhibition in Europe.

| Wednesday, Nov. 12th |                                                                                                                                                                                                                   |                    |                                                               |                                                    |                                                            |                                                                                                                                                      |                                                                                                                                                                                       |                     |                                |                                                   |
